YES, THE SIGUX IS WORKING.

Indians Haul Coal From Wagner to Yankton Agency.

Sioux Falls, S. D., Nov. 9 .- The hauling of the winter's supply of cont for the government at Yankton Indian agency from Wagner, the nearest rallroad point, during the past week or two, has given the Sioux Indians belonging at the agency an opportunity to make considerable extra money. They were hired to do the hauling. There was a large quantity of the coal and the Indians received twenty cents per 100 pounds for hauling it from the ratiroad to the agency. So anxlous were they to make all the money possible from single loads that it was with difficulty they were restrained from loading their wagons beyond their capacity, which would have resulted in brenkdowns and delays,
