FRANK H. WRAY, M. D.

Reference: First National Bank, Sloux City.

U. S. National Bank, Omaha.

My life is devoted to the practice of my specialty, which is the curring of Rupture. I do not have to resort to improfessional methods to induce a pa-tient to place himself under my care, but should like to have every ruptured person as patients if they will come to me on a strictly professional hasis, al-though if I have to offer any induce-ment other than my ability, skill and successful experience. I prefer to have them go to someone else. I am inde-pendent in my practice, because my ethics is the simple one or the Golden Rule. I believe medical ethics, like all other professional or social ethics, should be measured by but one stan-dard. BE SQUARES

should be measured by but one stan-dard. BE SQUARE? I am always willing to counsel with specialists, as well as with family doctors of any school. Any ruptured person is invited to bring his physician with him when he visits my consulta-tion rooms. It is a pleasure for me to explain my methods to the doctor who can comprehend and appreciate them. Then I can show their practical appli-cation and treatment of his patient's ense. Ldo not claim any wonderful or secret method, but I have originated more successful ideas for the cure of rupture without a surgical operation than I have ever adopted from others. The best treatment is none too good, no matter whether it is a mild or compli-cated case, bo not become a victim of neglert. DECIDE.

matter whether it is a mild or compli-acgleet. DECIDE: Just make up your mind to come to me at once. Your health, strongth and freedom from worty can be secured only by doing your part, that is, to come here, where I can give you per-sonal professional service. I wish to impress upon your mind that I have a certain cure for rupture without re-sorting to a poinful and uncertain sur-gical operation. I am the only reput-able physician in this line of work who sustains a high bank rating that will take such cases for treatment upon a guarantee to cure or make no charge, you may deposit the money in a bank in this city in your own name, and when you are satisfied a cure has been made you then instruct the bank to pay the money to me. By doing this you are absolutely certain of a cure, or it will cost you nothing. If I was not per-rectly sure of my work I could not do used a have been doing so for eighteen years, and adopted this plan because so many have been swindled by quacks and fakers. Not one of them will per-mit a patient to deposit the money in a bank until a cure has been made. Call or write to FRANK H. WRAY, M. D.,
