A German Holiday.

At Haslach, in the Kluzig valley, in Germany, Feb. 22 is a holiday and has been observed as one for hundreds of years. Once upon a time, the story teller who explains its origin begins, Haslach was overrun with snakes, and no one knew how to drive them out. One day a great flock of storks appeared, and they were the saviors of the church has not had enough funds the place. In recognition of this deto send them out. He believes today liverance from the pest, which ocpeople who can aid financially should curred on Feb. 22, the day has been kept sacred and is known as "stork day." An appointed official known as Rev. Mr. Leimer of Beemer also held the "stork father" parades the streets, ervices in the afternoon and spoke on followed by as many children as care missionary work. He says missionto join the procession. He wears his aries all over the world are meeting "Sunday clothes" and a high hat decorated with two stuffed storks. Stops with great success and only need the aid of the people at home to make are made by this procession at houses along the line, and the children receive gifts of sweets and small coins, every householder feeling pleased to show his gratitude to the stork.

Nest Eggs.

Take a nice fresh egg and separate the white and the yolk so that the yolk will not be broken. Put the white into a bowl, add a pinch of salt and beat After the expenses are taken out of it until it is very stiff. Have ready the collection and refreshment stand some little bowl that is pretty enough to put on the table, but that will not break in the oven. Pour into this the stiff beaten white and make a little hole in the middle of it with a spoon. In this little hollow place the yolk, still unbroken. Set the dish in a hot oven and cook for three or four minutes, or until the white has browned a little and the yolk is firm. There must be a separate dish for each egg that you cook in this way. Serve right away .- Delineator.

The Echo.

A little boy was amusing himself by hallooing, then listening for the echo "What is the echo, mamma?" he asked. His mother attempted to explain, feeling all the while how inadequate her explanation was. The little fellow trotted along at her side, silent for some minutes. Then his eyes fel' upon his shadow. "Oh, I know what echo is," he exclaimed joyfully. "It's the shadow of our voices."-Los Angeles Times.

A Palpable Hit.

"Now, sir," demanded counsel for the defendant. "tell us what time this alleged robbery took place." "You had better ask your client," re-

torted the plaintiff. "He had my watch!"

WEBSTER AND CHOATE.

Former a Thirteen Inch Gun.

"Probably no educational institution and elicited the following information: in our country has ever graduated two "Each bottle contains a different more eminent and eloquent lawyers kind of liquor. At the meeting of the than old Dartmouth college gave us these varieties in a glass so that the says a writer in Our Dumb Animals. and more experienced members of the the Suffolk bar to attend many years club after tasting it guess what it is ago the trial of one of the most imcomposed of and name the word in- portant cases of the year in our supreme judicial court at Boston.

"On the two sides were arrayed "Very original idea," remarked the general. "And are you able to make a some half a dozen of our most eminent lawyers. Daniel Webster and "If it is your excellency's pleasure, I Rufus Choate, as it happened, were on the same side.

The general went to the counter and "A hostile witness was put on by mixed a glass, while the officer stood | the other side, some of whose evidence was of the utmost importance to Webat the other end of the room with his ster and Choate, if it could be ob-"Now, guess what this means," said tained, and Choate undertook the task the general as he handed the glass to of obtaining it. No man at our bar had more profound skill in cross examination, and the questions he put The latter drank it at one gulp, to the witness were like the fire of a Maxim gun, but in every instance he "Bravol" exclaimed the general. "It failed to get the evidence he wanted and finally sat down in despair.

"Then Webster, who had been sitting in his great armchair, apparently about corps who can even guess 'Nebuchad- half asleep, as though taking no interest in the case whatever, slowly arose to his feet, put his great eyes on the hostile witness, asked him in the most serious tone a single question and brought instantly the required answer. Then as quietly he sat down and apturn of Japanese pirates and Euro- parently went about half asleep again. It was a scene photographed on my mind. never to be forgotten.

"The difference between Webster and Choate cannot better be explained as it rests in my mind than to compare Choate to a Maxim gun raining bullets of eloquence wherever he chose and Webster to a great gun that can send out a thirteen inch shell to penetrate an ironclad.

"It was wonderful to listen to Choate. I remember a case in which an ordinary lawyer would have simalv said to the court that he moved a

Little Jarbara's Complaint. Four-year-old Barbara went to church with her two sisters and came home crying.

"What is the matter, dear?" inquired her mother.

"He preached a whole s-sermonabout-M-Mary and Martha," sobbed A good servant need never do more Barbara, "and-never said-a-w-word than to "want-advertise" in order to about me."-Lippincott's.

Good idea, usually, to let your boy get his first "business experience" in

answering some want ads.
