# MISSISSIPPI STEAMBOAT RACE

#### Fastest Modern Vessels to Revive Dangerous Pastime For Once.

River steamboat racing, the pastime of the early seventies, when Mark Twain was young and working for a living, promises to be revived by the challenge of Commodore Henry W. Leyhe of the steamer Alton to Captain W. H. Therwegen, master of the steamer City of Providence, to race for any amount from \$1,000 to \$50,000, says a St. Louis dispatch. Captain AB. R. H. PO. A. E. Thorwegen has accepted the challenge, and as soon as the wagers are placed the race will be run.

This will be the first real river race. since the days when fiver traille was at its height and rival masters sat a "nigger on the safety valve" of the boiler to insure more speed.
