Mr. and Mrs. Deltz passed through the Junction Sunday noon on their way home to Jelen in Lincoln, where they took in the state fair. Miss Geneva Moolick left for Pierce yesterday where she is teaching school. R. S. Metsker, has stored his household goods preparatory to going to Casper, where he has accepted a position. Mr. and Mrs. Frank Krohler arrived home from Sheridan, Wyo., where they had been visiting Mr. Krohler's brother, Edward. Mr. and Mrs. J. Long have arrived home from the state fair at Lincoln. W. F. Smith went to Omaha yesterday to take part in the Eagles' entertainment. Mrs. John Krantz is ill. M. J. Sanders went to Omaha. C. Miskimmine went to Tilden. A. Lantz of Winside was here yesterday. Adolph Moldenhauer has returned from Lincoln. E. P. Weatherby goes to Bloomfield on business tomorrow. W. H. Lehman started work at the Soneland clothing store. George Becker of Milwaukee is visiting with Paul L. Zuelow. H. S. Overaker has moved into his new house on Eighth street. Ted Barrett of Cascade, Ia., is here visiting with his brother, P. M. Barrett. Fred Fleckenstein of St. Paul, Minn., visited Mr. and Mrs. B. T. Reid. Mrs. J. W. Fisher went to Omaha yesterday to visit with her parents. Donald Mackay from Winfield, Kan., is visiting his father, Dr. J. H. Mackay. Deputy Game Warden J. B. Donovan of Madison was here on business. Mrs. Herman Zeagfeld and daughter of Plainview were visiting friends here. Mrs. C. W. McMasters went to Lincoln, where she will visit with her parents. Mrs. F. E. Schultz went to Hoakins yesterday to visit with her daughter, Mrs. John Pofahl. Mrs. J. H. Mackay went to Fremont to join her sister in a visit to their brothers in Colorado. Mrs. William Hollendeck of Bazile Mills is here visiting with her sister, Mrs. A. C. F. Schultz. P. J. Paul of Kearney was in the city yesterday visiting with his son, Paul Paul. Mr. Paul was at Dallas looking at land. Miss Deedle Reynolds and her brother, Bud Reynolds, of Chicago, who are visiting with their aunt, Miss Kate Moran, at Madison, were visitors at the F. A. Blakeman home yesterday. "Tack" Peters has resigned his position at the Elmer Reed barber shop and will leave for Seattle the latter part of the week. Robert Howe, who has been at Wakefield, takes Peters' place. Rodrick Mackenzie, a pioneer settler on Union creek in Madison county but who went to Washington state twenty years ago, has been in the city visiting the family of H. E. Hardy. Mr. Mackenzie is on his way home from a visit to his old home in Pictou county, Nova Scotia, the first in forty years. Born to Mr. and Mrs. George Wheeler, a daughter. A regular meeting of Damascus chapter, No. 55, R. A. M., will be held this evening. The Yankee Robinson circus will show in Norfolk on Tuesday. The circus brings an airship, it is claimed. George Surber, the mail clerk who was taken sick some time ago and who went to Waterbury, returned to his run yesterday. The Union Pacific depot and the Union Pacific commercial agency were draped with crepe out of respect for the memory of Mr. Harriman. A daughter has been born to Rev. and Mrs. John M. Hinds at Julesburg, Colo. Mr. Hinds was formerly pastor of the Second Congregational church here. Mrs. John Gamble, the Filipino wife of John Gamble, the negro, after having been at the state insane hospital for some time, has been returned to her home in Norfolk. Fred G. Gerecke, Millard Green, Ed. Bruzegeman and W. C. Ahlman have been chosen as delegates from Norfolk aerie to attend the national convention of the Eagles at Omaha this week. Mrs. William Guirk, who broke her foot at Hoskins Saturday, was brought here Monday and is in a fair way to recovery. The physician says although the break is a painful one, it is not serious. On account of the wet ball grounds at Battle Creek, the game between the Norfolk Juniors and the Battle Creek team has been postponed till next Sunday, and will be played at Norfolk. Word has been received from Mr. and Mrs. A. O. Hazen, who are spending their vacation at Los Angeles with their children. Mr. Hazen says they are enjoying their vacation immensely. News of the marriage of Charles Mathewson, Jr., to Miss Elliott, daughter of a prominent Walthill farmer, has been received here. Ralph Ramsay, an actor in the company which Henry B. Harris is sending to Norfolk to present Charles Klein's latest successful play, "The Third Degree," is an own cousin of Andrew Carnegie. A change in the leaving time of the Norfolk-Columbus passenger train on the Union Pacific, has just taken place. The train hereafter will leave Norfolk at 11:10 instead of 10:55, as previously. This will allow the C. St. P. M. & O. train from Sloux City to connect with the Union Pacific train. There are no other changes in the Norfolk card. Dr. A. B. Tashjean, who has been on the western coast spending a month's vacation, returned to Norfolk yesterday. Dr. Tashjean visited Los

Angeles, Seattle, then took the steamer to Vancouver, whence he traveled east over the Canadian Pacific railway, which covers some of the most beautiful scenery in the west. Although the doctor praises the west for its scenery and other merits, he thinks Nebraska is the best state yet. Manager Parks, of the W. H. Butterfield & Son cattle ranch, near Wausa, died Sunday, after twenty-four years of service at the head of the ranch. When it became known Friday night that Mr. Parks was dying, word was sent to G. D. Butterfield of this city to come at once, as Mr. Parks had something which he wished to tell Mr. Butterfield. The latter was given a motor car over the Northwestern, whence he drove across country. He reached the ranch in time to find Mr. Parks conscious, and the manager told Mr. Butterfield what he wanted to say, sinking into a state of coma immediately afterward. Charles Klein, author of "The Third Degree" and "The Lion and the Mouse," makes no secret of the manner in which he endows his characters with verities and life. He admits frankly that he takes them from real life. He graciously acknowledges that "Mr. Brewster," the impressive and cogent "constitutional lawyer" in his greatest success, "The Third Degree," is none other than Joseph E. Choate, the well known New York lawyer, and late United States minister to England. Then, too, it is an open secret that Annie Jeffries, the heroine in the same play, has her prototype in a young woman employed in a New York paper-box factory, who was discarded by her wealthy husband because she was not sufficiently polished for his set. Finger Torn Out of Hand. Howard Groom, chief engineer at the Norfolk electric light plant, caught his left hand in a gear wheel Monday forenoon and the second finger was pulled completely off. The man suffered terribly, but did not faint. Chloroform was necessary to render him unconscious. He is 22 years old, unmarried. He was attempting to repair a pump and failed to stop the machine. Groom was placed in an automobile and rushed to a surgeon. As he was started away he turned to his helper and said: "Don't forget to place the nuts on that machine." It was at first feared that perhaps the entire hand would be lost. E. A. Bullock, president of the electric light company, said this was the first serious accident that had occurred to any person in his employ during his twenty-seven years of manufacturing experience. Groom is a very popular young man. He was in charge of the plant at the time of the accident. Groom lives with his parents at the corner of Eleventh street and Phillip avenue. Notice to Contractors. Sealed bids will be received by the mayor and council of the city of Norfolk, Nebraska, up to 12 o'clock, noon, of September 20, for the construction of two hundred and fifty-five feet of six-inch sewer on South Tenth street, known as sewer district No. 16. The council reserves the right to reject any and all bids. Ed. Harter, Clerk. Norfolk Takes Two More Games. In a one-sided game Sunday afternoon Norfolk won from Correctionville in the second game of the series by the score of 5 to 1. Although the game was played on the grass on account of the regular diamond being wet and muddy, a fair game was played. It would have been a shut out only for Brown's error in the first of the ninth when Correctionville, with two down and a man on third, popped one to Buster who let it drop, allowing Correctionville their only score. The features of the game were the two-baggers of Ward and Young and the pitching of Corcoran, who only let one man walk. Correctionville plays their last game here this afternoon. Norfolk plays Stanton Wednesday, Albion Thursday and Friday, at Madison September 23, and Gregory at Butte, September 24 and 25. making them two scores which Norfolk tied in the last of the fifth. Then a pitcher's battle ensued in which both Bovee for Norfolk and Simon for Correctionville about divided honors. No scores were made until the last of the thirteenth when Kissel got to first on an error of the right fielder, Lusinsky got a base on balls and Spellman's two-bagger brought in Kissel, winning the game for Norfolk. The features of the game were the one-handed catch on first by Smith, Correctionville's captain, who stopped a hot liner hit out by Bovee. Neno on short played another errorless game. Many people Sunday afternoon were conveyed in carriages, carriages and cabs to the Prospect Hill cemetery where a beautiful and impressive unveiling of monuments was observed by members of the Valley Camp of Norfolk, No. 100, of the Woodmen of the World. The monuments unveiled were those of Sovereigns Luikart, Barrett and Ambruso. Sovereign Edward Walsch of Omaha delivered an oration on "Fraternalism of the Past, Present and Future," dealing with its effects on the life of men of today and its care of those behind at death. He also spoke in part of the ultimate good that is derived from membership in the Woodmen of the World. Those who heard Mr. Walsch were much impressed with his oration. Rev. Thomas Davis of Tecumseh was master of ceremonies, a part which he eminently fitted. Mr. Davis has in Norfolk provided himself one of the most unflinching workers in the Woodman circle. Rev. C. W. Ray offered the opening prayer. The recital of Miss Gladys Meredith of "Why Should the Spirit of Moral be Proud?" was impressive. Mrs. George B. Christoph and Mrs. George R. Desmond led the singing. Rev. Roy J. Lucas offered the closing prayer. Now For Better Roads Near Here. Merchants and business men are to be assessed for the support of good roads tributary to Norfolk, and a new campaign has been started looking toward better roads. In a circular letter to the business men of Norfolk the Commercial club has listed all business men and have used a scale of assessment rating all as equal as possible in money or teams or labor. Following is the letter sent out: Norfolk, Neb., Sept. 11.—Dear Sir: For the past few years there has been an effort made in various localities to better the road conditions, not only for the satisfaction and pleasure that it affords to ride on good roads, but for the advancement of business generally. The movement has become so universally popular that the government has made appropriations for the education of the public in road building and they have sent out experts to lecture and give demonstrations in the handling of different devices to drag the roads and to explain the best methods to pursue. They have selected the materials to be used in the making of roads in different localities, as the soil condition is a factor in getting results. Some of our states have taken the matter up to such an extent that the legislatures have enacted bills and appropriated funds for the specific purpose of road building. In cities, the work generally falls on some organized body, so the Commercial club of Norfolk have taken it upon themselves to stimulate the movement in this locality and are endeavoring to enlist the help of every live merchant, citizen and farmer to put the roads within a radius of five miles of Norfolk in good hauling condition. We live in a section that depends entirely on agriculture, and our location is such that we draw trade from all directions, and, besides, we are the largest town in the territory and our merchants carry heavy stocks of goods and by the upbuilding and upkeep of the roads leading into Norfolk, your sales and business can be very materially increased. From the present indications, Madison, Pierce and Stanton counties will have one of the largest corn crops in the history of these counties, and Norfolk wants to be in a position to take care of her share of the good things that our wonderful producing country affords. The Commercial club has adopted the following plan: We expect to enlist the help of the farmers, and will ask them to donate labor and teams to an equal amount of money expended by us. In addition to this, we will ask the assistance of the county commis-

sioner and will request him to have his men and teams work in connection with ours. In order to effect an organization that will carry this project through we have decided to hold a special good roads day. All business men in Norfolk and farmers in the vicinity will be invited to participate. It will be the purpose to have the farmers organize themselves in districts choosing a chairman to be known as the good roads man of their particular district and then work in connection with us according to plans agreed upon. In order to accomplish what we expect to do it will mean the expenditures of not only time and work, but money, so we ask you to help, not in the time and in the work, but in the money. We have listed all of the merchants and have used a scale of assessment rating all as near equal as possible, and your share will be \$..... This amount can be paid in three payments, or in the furnishing of men and teams equal to the amount of your subscription. The time is short and immediate action is necessary, therefore we ask you to kindly act at once. Fill out the enclosed card and mail to Mr. W. A. Witzigman. Your neglect to comply with this request may be the means of failure of the project. Hoping that you realize the importance of the movement and that you will do your part, we beg to remain Very truly yours, Commercial Club. A. L. Killian, Pres., H. A. Pasewalk, Vice Pres., F. A. Beeler, W. A. Witzigman, C. J. Fleming, P. M. Barrett, G. D. Butterfield, J. E. Haase, W. J. Stadelman, L. P. Pasewalk, Treas., J. D. Sturgeon, Secy. TO MAKE HIM HONEST. A St. Louis Prisoner is Eager for Surgical Operation. St. Louis, Sept. 14.—Cyrus Eaton, a patient in the City hospital, is eager for the physicians to operate on his brain and destroy the inclinations that have three times caused him to be sentenced to the workhouse, and which have caused him numerous arrests for theft and other violations of the law. Several doctors who spoke to Eaton and watched him carefully in the hospital say that as far as observations are concerned, Eaton is perfectly sane. His talk and actions speak for his sanity. "I place all my crimes to the injury to my head," Eaton said today. "I cannot govern my inclinations since my injury. I drink to excess and while intoxicated I commit crimes I would have been ashamed to think of before my accident. I want the doctors to operate on me, because I want to be a good citizen." Eaton, before he was injured two years ago, was a well respected buyer for a mercantile company. He had no bad habits then, although he says he drank liquor occasionally. The operation of craniotomy will mean the removal of several square inches of bone from Eaton's skull to permit the doctors to examine the covering of the gray matter, and act accordingly. One of the physicians at the hospital said Eaton's trouble was caused by a bone pressure on the brain which could be removed successfully. Eaton says he is willing that the doctors shall cut into his skull if they can only cure him. SAYS PROHIBITS WILL FAIL. Catholic Prelate Tells Audience That Reform Must Come From Within. Baltimore, Sept. 14.—"Prohibitionists all over the country are making an effort to suppress the use of intoxicating liquors, and while I hope they will succeed, I don't think they will. Reform must come from within, not from without. You cannot legislate for virtue," said Cardinal Gibbons. His remarks were made during an address following the pledge given to the main portion of a class he had confirmed in St. Mary's church, adjoining Doughoregan manor, on the historic old Carroll estate. "There is but one thing to do," continued the cardinal, "and that is to inculcate abstinence in young persons so they may not become slaves to liquor. Its effects are found everywhere, sometimes even among churchmen. No church should tolerate a clergyman who drinks. If a tendency to drink is found among seminarians, they should be asked to leave off studying for the sacred ministry. Should the superior of St. Charles college, who is present, find among his students one or another with an inclination toward strong drink, he would at once have that student removed. "Understand me, I do not mean to say that it is a sin to take a little refreshment, but it should be taken at the proper time, and once you are of age you are not to make up for lost time. The Catholic church does not advocate extremes, but wisely, safely, steers in the middle course." Arrest the Bridegroom. Sloux Falls, S. D., Sept. 14.—Through his Iowa sweetheart purchasing a ticket at Rockwell City, Ia., for the purpose of coming to Platte and marrying him, Chris. Nelson, a fugitive from Rockwell City, was captured at Platte, this state, and now has been taken back to Iowa by Sheriff Dawson of Rockwell City. Nelson consented to return to Iowa without requisition papers. He is wanted at Rockwell City on the charge of having appropriated certain money not belonging to him to his own use, the alleged theft being an outgrowth of a dispute between himself and another man, with whom he had been engaged in business. Nelson was about to marry his Iowa sweetheart, who came to Platte to have the ceremony performed. She was being watched, and when she purchased a railroad ticket to Platte the Rockwell City authorities concluded Nelson was there, and his arrest followed, as stated. The girl accompanied Nelson and the sheriff back to Rockwell City.

HYMNIAL Bullock-Bridge. The marriage of Clyde Johnston Bullock to Miss Helen Margaret Bridge took place at 8:30 o'clock Saturday evening at the home of the bride's father, C. S. Bridge, 1103 Norfolk avenue. Only relatives and a very few friends were present. The ceremony was performed by Rev. Edwin Booth, Jr., pastor of the First Congregational church, the impressive ring service being used. The bride was attended only by her sister, Miss Melle Bridge, and the groom by Spencer Butterfield, a fraternity brother. The home was beautifully decorated with ferns, palms and flowers. The color scheme in decorations was white and green. Under a canopy of green the ceremony was performed. The bride wore a beautiful meteor silk gown, with hand embroidered panels. Miss Melle Bridge was gowned in green chiffon over satin. Mrs. M. E. Crosier of Avoca, Ia., an aunt to the groom, played the wedding march. A wedding supper was served immediately following the marriage service. The color scheme was carried out in the refreshments. Many very beautiful gifts were received by the bride. The going-away plans of the bride and groom were successfully kept a secret. They took a carriage with apparent intention of driving to Stanton, but this was a hoax and they returned to the home of W. H. Butterfield, where they remained as guests until Sunday, when they left for Chicago on a honeymoon trip. Among the out-of-town guests were: Mr. and Mrs. Crosier, Avoca, Ia.; Mr. and Mrs. Robert Bridge and two daughters, Miss Laura Bridge and Miss Nona Bridge, Fremont; Mr. and Mrs. W. H. Bucholz, Omaha; Spencer Butterfield, Ames, Ia.; Miss Alma Etting, Grand Island, Neb. The bride is an especial favorite in Norfolk, having lived here all of her life. She is the eldest of Mr. Bridge's children and she has been a little mother to the family for a number of years, so that her loss from the parental home will be more than ordinarily felt. She attended the University of Nebraska, where she was a member of Delta Gamma sorority. She is a member of the Wednesday club in Norfolk. The groom is the only son of Mr. and Mrs. E. A. Bullock and has lived the greater part of his life in Norfolk. He is secretary of the Norfolk Electric Light and Power company, of which his father is president. He also attended the University of Nebraska, where he was a member of Phi Gamma Delta fraternity. His business prospects are unusually bright for a man of his age. Mr. and Mrs. Bullock will reside in the residence recently vacated by Dr. and Mrs. R. A. Mittelstadt, Koenigstein avenue, this winter, and in the spring will occupy a new home to be built at the corner of Norfolk avenue and Tenth street. New State Department. Washington, Sept. 14.—Secretary of State Knox is giving special attention to the department and protection of the commercial interests of the United States in Latin America, and to that end has created in the state department a new division, to be known as the division of Latin-American affairs. It is to be devoted exclusively to these matters. He has appointed Thomas C. Dawson of Iowa, United States minister to Chile, as chief of the new division, and William T. S. Doyle as assistant. Groom Drops Dead. Sloux Falls, S. D., Sept. 14.—To have her husband of only a few months drop dead before her eyes was the shocking experience of Mrs. Ferris D. Gilbert, wife of a prominent farmer of Clark county. Dakota Land Goes Up. Sloux Falls, S. D., Sept. 14.—The experience of W. H. Crutoff, a well known resident of Aurora county, demonstrates something of the advance in the price of South Dakota farm land during the last year or two. About a year ago Crutoff purchased what is known as the Hoon farm in Aurora county, consisting of 320 acres, for which he paid \$35 an acre. He now has sold the tract to a Mr. Cooper of Randolph, Neb., for \$52.50 an acre, thus realizing a profit of \$5,600 from the increase in the value of the land alone, and in addition he raised one good crop on the farm. Dallas, S. D., Sept. 14.—Special to The News: Rube Stewart was hit hard yesterday, and Dallas won, 9 to 1. Cy Young pitched gilt-edge ball. The same teams are playing ten games for \$1,000, half of the games at each town. Hits: Dallas, 9; Gregory, 4. Struck out: By Young, 7; Stewart, 5. Batteries: Gregory, Stewart and Ford; Dallas, Young and Hasty. Umpire, Chapman and Burke. Court on At Neligh. Neligh, Neb., Sept. 14.—Special to The News: District court opened here yesterday morning, and the first jury case called was that of the state vs. John Catron of Tilden. This is the case wherein Catron was arrested about two months ago for the violation of the automobile speed law. He was tried in the McAllister court and found guilty, and fined \$10. The case went to the jury late in the afternoon. The next jury case is that of O. A. Williams vs. E. S. Scofield, where the former charges the editor with libel, and desires to secure \$3,000 for false and misleading statements. It is charged, in his paper sometime ago,

ville (Ia.) baseball team here yesterday afternoon, 2 to 0. The visitors had chances to score in only two innings, but brilliant work at critical times removed the danger. The Iowa team took the first game Wednesday, 8 to 5, proving the better mud hens. Wagner, from West Point, pitched both games, striking out ten men in the last game. Batteries: West Point, Wagner and Kerl; Correctionville, Corcoran and Rice. Umpire, Knight. His Daughter Dead Three Months. Fred Boche of Norfolk has just learned, three months after she was laid to rest, of the death of his eldest daughter, Lottie, at Salem, Ore. The young woman, 27 years of age, had been married but a month when her death came. The name of the man she married has not been learned by the family here. Mr. Boche yesterday received a letter from his son, who went west with the daughter. In this letter the son asks whether or not he has heard of Lottie's death. She died June 9. The son says he wrote three months ago but, having heard no word from home, believes that the original letter never was received in Norfolk. And this is the case. Mr. Boche did not know that his daughter was ill, and does not know how what caused her death. He has written for further particulars. Look! Listen! Locate. The dry weather in certain parts of Nebraska, Oklahoma and Texas preventing the maturing of crops successfully, and the high price of land in other localities, has caused many who are desirous of obtaining a home where failures are unknown, where the harvests are bountiful and the climate pleasant, to investigate the Teton and Snake river valleys with a view of locating there, where choice land with a perpetual paid up water right and some improvements may now be obtained upon easy terms for \$37.50 per acre. Are you one of the many desiring a home? If so, purchase a Yellowstone National park round trip ticket, over the Union Pacific, for \$32. Stop off at St. Anthony, Ida. Call at our office and we will show you some of the choicest, most fertile and productive land in the United States. It beats Twin Falls, better than San Luis valley or Big Horn basin. Don't take our word for it, come and see for yourself. Look and listen and you will locate, make plenty of money and always be happy. Idaho Land and Loan Company, St. Anthony, Idaho. Notice. To the Citizens of Norfolk: You are invited to co-operate with the officials of the municipality to clean up all streets, alleys, vacant lots, business places and home premises. A clean city means less sickness and a lower death rate. Rats, flies and insects feed on and breed in garbage and rubbish and as the former carry disease, the danger from them is lessened by eliminating their food supply and breeding places. Last month there were ninety cases of the plague in Canton, Ohio, with seventy deaths. This disease is carried by the rat, flea and the rats in Norfolk could become infected as easily as those of any other city. There are twenty-six varieties of flies that frequent sewerage and human food and carry typhoid and other diseases. Earth closets should, therefore, be treated with quicklime and screened, and all manure removed weekly during fly season. Please do not, for this reason, throw waste from the table or kitchen upon the open alley, but in a screened box. J. H. Mackay, City Physician. Notice. In the county court of Madison county, Nebraska. The state of Nebraska, Madison county. To all persons interested in the estate of Carl Raguse, deceased: Whereas, there is on file in the coun-

ty court of said Madison county, an instrument purporting to be the last will and testament of Carl Raguse, late of said Madison county, deceased, and Augusta Raguse has filed her petition herein praying to have said instrument admitted to probate, and for the issuing of letters testamentary, which will relate to both real and personal estates. I have, therefore, appointed Tuesday, the 5th day of October, 1909, at 1 o'clock in the afternoon, at the county court room in Madison, in said county, as the time and place for hearing and proving said will, at which time and place you and all concerned may appear and contest the probate and allowing of the same. It is further ordered that said petitioner give notice to all persons interested in said estate of the pendency of the said petition, and the time and place set for the hearing of the same, by causing a copy of this order to be published in the Norfolk Weekly News-Journal, a newspaper printed, published and circulating in said county, for three weeks successively previous to the day set for the hearing. In witness whereof I have hereunto set my hand and official seal this 3rd day of September, 1909. (Seal) William Bates, County Judge. Notice. Marion Fisher will take notice that on the 23rd day of July, 1909, George C. Lambert, a justice of the peace of Madison county, Nebraska, issued an order of attachment for the sum of \$25.20 in an action pending before him wherein Ida DeWitt is plaintiff and Marion Fisher is defendant, that the property of the said defendant, consisting of wages due from the Chicago & Northwestern Railway company, have been garnished under said order, and the said case has been continued until the 21st day of September, 1909, at 9 o'clock a. m. Ida DeWitt, Plaintiff.
