Washington, Sept. 28.—No pardon will be granted to John R. Walsh, former Chicago banker and capitalist, who is serving a five-year sentence in the Leavenworth (Kan.) penitentiary for violation of the banking laws.

The best he will receive, if the president grants him any clemency, is the commuting of his sentence to a period that will permit his liberation within a few months.

DELEGATES WORN OUT.

Delegates to the second day's session of the republican state convention were worn and weary from the excitement and turmoil of Tuesday's session, when Colonel Theodore Roosevelt scored his first victory. The progressive leaders were in a conference until a late hour and when the schedule time came for the opening of the convention three-quarters of the delegates were present.

ELIHU ROOT PERMANENT CHAIRMAN.

United States Senator Root was nominated as permanent chairman of the convention by the convention on permanent organization. The report was adopted and Colonel Roosevelt appointed Charles S. Francis of Troy and Spunker Wadsworth of the assembly to escort Mr. Root to the chair.

ROOT SEES CHANGE DEMANDED.

"Initiative and referendum, recall, direct election of senators, direct nominations," said the chairman, "all are symptoms of evidence that the people of the country feel that our forms of political organization do not adequately furnish the voters of our political parties means to give effect to their political will."

REPUBLICANS MUST MEET DEMAND.

"No call for freedom, no call for free and full expression of the voters ever found the republican party unwilling to answer and to lead. It lies before this convention to show our people that so far as our party can, our political organization shall be amplified, so that the farmer and workman can give his ballot to the polls in fuller fashion."

MR. ROOT URGED THAT THE CONVENTION NOMINATE GOOD CANDIDATES AS A GUARANTEE OF THE PARTY'S GOOD FAITH.

"We have been told by some that the wish is father to the thought, that the controversy which was brought to a vote in this convention yesterday is to be a long, internal quarrel between the leaders of this party equal to the old stalwart and half-breed controversy decades ago."

SAYS SHERMAN WON'T BOLT.

"I do not so estimate the character and loyalty of my friends, many of them among the 415 voting in the convention here yesterday. In no such direction will I march the phalanx guided by my friend, the vice president of the United States. This has been our fight here within the state, with no interference. It has been fought man to man and a majority of the members of the minority will bow loyally to the result."

CHAIRMAN ROOT'S SPEECH WAS HEARTILY CHEERED.

Mr. Frederic of Kings read to the convention the report of the resolutions committee.

TAFT AND HUGHES CHEERED.

Reference to President Taft and Governor Hughes created rounds of applause.

SPEAKER WADSWORTH MOVED A MINORITY REPORT WHICH HE SAID CONTAINED A SUBSTITUTE FOR THE DIRECT PRIMARY PLAN IN THE MAJORITY REPORT.

A motion to limit the debate on the platform to two hours was carried.
