

### Exercise and Health.

Exercise is a splendid thing for a healthy person. But when the body is weakened by disease, exercise strains rather than strengthens. Exercise will not cure a weak stomach. It may increase the appetite, but it won't cure dyspepsia, and an increased appetite is a curse not a blessing to the sufferer from dyspepsia.

Take exercise by all means but also take Dr. Pierce's Golden Medical Discovery if there is a deranged or diseased condition of the stomach and other organs of digestion and nutrition. This medicine is not a cure-all but a specific for diseases of the stomach and digestive system. It strengthens the stomach, purifies the blood, and increases physical vigor.

It increases the body's supply of good blood by increasing the activity of the blood-making glands. It forces out of the body the waste and poisonous accumulations which invite disease, and cleanses the clogged and sluggish liver. Its tonic action is marked, restoring as it does, to weak and jaded men and women the clear skin, bright eyes and buoyant step which are the marks of sound health.

There is no alcohol contained in "Golden Medical Discovery" and it is absolutely free from opium, cocaine and every other narcotic. It is strictly a temperance medicine.

"I wish to say that Dr. Pierce's Golden Medical Discovery has proved a great blessing to me," writes Mrs. Ellen E. Bacon, of Shutesbury, Franklin County, Mass. "Prior to September, 1897, I had doctored for my stomach trouble for several years, going through a course of treatment without any real benefit. In September, 1897, I had very sick spells and grew worse, could eat but little. I commenced in September, 1897, to take Dr. Pierce's medicine, and in a short time I could eat and work. I have gained twenty pounds in two months."

"I was very sick indeed," writes Mrs. Mollie Jacobs, of Felton, Kent Co., Delaware, "and our family doctor said I had consumption. I thought I must die soon for I felt so awful bad. Had a bad cough, spit blood, was very short of breath. I had pains in my chest and right lung, also had dyspepsia. Before I took your 'Golden Medical Discovery' and 'Pleasant Pellets' I was so weak I could not sweep a room, and now I can do a small washing. I feel like a new person. I was sick over two years. I took thirteen bottles of the 'Discovery,' and four vials of Dr. Pierce's Pellets."

Dr. Pierce's Pleasant Pellets, are the best medicine to use with "Golden Medical Discovery," when the use of a laxative is indicated. They keep the bowels healthy and are delicately adjusted to the requirements of the weakest system so that women and children may use them without fear of reaction.

The opening of the drainage canal was the culmination of an all night vigil by the board of trustees and canal commissioners at Joliet, which resulted in the securing of the necessary permission from Governor Tanner.
