

### A Wonderful Work for Women

Has been carried on in Buffalo, N. Y., for more than thirty years. This work has grown so greatly within recent years that there is hardly a town or a village which does not contain some woman who owes health and happiness as woman, wife or mother, to Dr. R. V. Pierce and that wonder-working medicine for women's diseases, Dr. Pierce's Favorite Prescription.

The Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., of which Dr. Pierce is chief consulting physician, could not accommodate a thousandth part of the women who are treated and cured by Dr. Pierce and his staff of nearly a score of specialists. Fortunately it is not necessary for many women to come to Buffalo for treatment. The wide experience of Dr. Pierce in the cure of diseases peculiar to women, has enabled him to provide in his "Favorite Prescription" a remedy which in ninety-eight cases in every hundred has perfectly and permanently cured the special diseases for which it is prescribed.

Women are invited to consult Dr. Pierce by letter, absolutely without charge or fee, and receive the benefit of the advice of a specialist in the delicate and dangerous diseases of women. This advice has been declared "priceless" by thousands of women who have received it. All letters are held as strictly private and secretly confidential, and prompt answers are mailed in perfectly plain envelopes without any printing upon them. There is no alcohol in "Favorite Prescription," neither does it contain opium, cocaine, or other narcotics, often found in medicines for women.

#### Four Doctors Failed.

"For seven years I was confined to bed most of the time," writes Mrs. M. P. Davis of Homaker, Russell Co., Va. "I had four doctors and all of them could not be cured. I was so weak and nervous, that I could not stand but a short time, had bearing-down sensation, pain in small of my back. My stomach and bowels, also legs and feet would swell, and everything I ate hurt me. Was so short of breath I often could not lie down at night; had weakness and tenderness over my heart, palpitation of heart, and constant headache. I would get blind and have fainting spells, had dark rings around my eyes; suffered from painful periods; could not lie on my left side. I would have numb spots, pains around my heart every morning; my lungs hurt me a great deal. I would spit up blood at times, memory was poor, bearing was bad, hands and feet were cold all the time, and I had chills and night sweats. After the doctors said I could not be cured, I wrote to Dr. Pierce for advice, and he sent me a very encouraging letter, advising me to take his 'Favorite Prescription' and his 'Golden Medical Discovery' and 'Pleasant Pellets.' I got two bottles and used these and felt much better. Six bottles more cured me. I can work all day and not feel tired. I sleep all night and can eat anything I want. I can walk anywhere I please. I feel better than I ever did. I am sorry I did not take Dr. Pierce's medicines when I first began to have poor health. I could have saved what I paid to humbugs. My friends say that I do not look like the same woman. When I commenced Dr. Pierce's medicines I only weighed one hundred pounds; now I weigh one hundred and forty."
