Thousands Have Kidney Trouble and Don't Know It. How To Find Out. Fill a bottle or common glass with you, water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys.

Stanton Pickett: Mrs. Conger was expected to arrive home last Saturday but a final examination of her injured foot by the attending physician revealed a condition of the member less satisfactory than was expected and she must remain in Norfolk for an indefinite period.

It's Easy To Take Thin, pale, anemic girls need a fatty food to enrich their blood, give color to their cheeks and restore their health and strength. It is safe to say that they nearly all reject fat with their food.

John R. Hays, chairman, and Jack Koenigstein, secretary of the republican judicial central committee are writing the committeemen of the various counties to incorporate in their calls for the county conventions a phrase calling for the same number of delegates to attend the judicial convention, which will be called later, as are chosen to attend the state convention.

"Every Well Man Hath His Ill Day." A doctor's examination might show that kidneys, liver and stomach are normal, but the doctor cannot analyze the blood upon which these organs depend.

W. H. Law states that he didn't need to light the street lamp to file his saw by yesterday as long as a certain reporter for THE NEWS stood near with his hat off, the reflection from his hairless cranium being ample and sufficient for all purposes, but when he departed the darkness and gloom was so intense that he couldn't cut it after the saw was carefully sharpened.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage.
