A COWARDLY ASSAULT. Superintendent Reynolds Struck by Discharged Employee at Long Pine. From Wednesday's Daily. Superintendent C. H. Reynolds of the Norfolk division of the P. E. & M. V. railroad, was the victim of a cowardly assault at Long Pine this morning by a man named Rose, formerly a brakeman and conductor in the employ of the road, but who was discharged several months ago. Mr. Reynolds was on the depot platform when he was approached from behind by the fellow and on turning around was dealt a stunning blow on the right side of the face, which knocked him down, and after he had fallen his cowardly assailant struck him two or three times. The first blow cut an ugly gash in the superintendent's right cheek and rendered him unconscious, while the assault after he was down also produced some ugly wounds. The train was delayed 40 minutes while Mr. Reynolds' wounds were being dressed. After his assault the fellow was caught by the conductor of the passenger and an effort made to find the marshal, but he was not at hand and the conductor released the man. It is said that Rose has been waiting for a chance to assault Mr. Reynolds for some time because of that which he imagined to be a wrong, and after the attack he made the boast that he had money in the bank to settle with the court and that he now considered himself even. A complaint for his arrest has been sworn out and he will undoubtedly receive a speedy and just punishment. Mr. Reynolds was brought home and is now resting as comfortably as could be expected. The superintendent is of slight build, while Rose is said to be a burly ruffian, which conditions will in no wise tend to any sympathy for him. Letter List. Blood Troubles: Cancer, Scrofula, Old Sores, Rheumatism, Contagious Blood Poison, Chronic Ulcers. As the blood contains all the elements necessary to sustain life, it is important that it be kept free of all impurities, or it becomes a source of disease, poisoning instead of nourishing the body, and loss of health is sure to follow. Some poisons enter the blood from without, through the skin by absorption, or inoculation; others from within, as when waste products accumulate in the system and ferment, allowing disease germs to develop and be taken into the circulation. While all blood troubles have one common origin, each has some peculiarity to distinguish it from the other. Contagious Blood Poison, Scrofula, Cancer, Rheumatism, Eczema and other blood diseases can be distinguished by a certain sore, ulcer, eruption or inflammation appearing on the skin. Every blood disease shows sooner or later on the outside and on the weakest part of the body, or where it finds the least resistance. Many mistake the sore or outward sign for the real disease, and attempt a cure by the use of salves, liniments and other external applications. Valuable time is lost and no permanent benefit derived from such treatment. BLOOD TROUBLES REQUIRE BLOOD REMEDIES; the poison must be completely and permanently eradicated—the blood reinforced, purified and cleansed, or the disease goes deeper and saps the very life. Mercury, potash and arsenic, the treatment usually prescribed in this class of diseases, are violent poisons, even when taken in small doses—never cure, but do much harm by adding another poison to the already overburdened, diseased blood. S. S. S., Nature's own remedy, made of roots and herbs, attacks the disease in the blood, antidotes and forces out all impurities, makes weak, thin blood rich, strong and healthy, and at the same time builds up the general health. S. S. S. is the only purely vegetable blood purifier known, and the only one that can reach deep-seated blood troubles. A record of 50 years of successful cures proves it to be a reliable, unfailing specific for all blood and skin troubles. Free Medical Treatment. Our Medical Department is in charge of skilled physicians, who have made blood and skin diseases a life study, so if you have Contagious Blood Poison, Cancer, Scrofula, Rheumatism, Eczema, an Old Sore or Ulcer, or any similar blood trouble, write them fully for advice about your case. All correspondence is conducted in strictest confidence. We make no charge for this service. Book on blood and skin diseases free. SWIFT SPECIFIC CO., Atlanta, Ga.

August Flower. "It is a surprising fact," says Prof. Houton, "that in my travels in all parts of the world, for the last ten years, have met more people having used Green's August Flower than any other remedy, for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion." Sample bottles free at A. K. Leonard's. Sold by dealers in all civilized countries. Dr. Sadie Hart Miller, a graduate of the American School of Osteopathy at Kirksville, Missouri, has one of his offices in Norfolk in the practice of this new system of healing. Rooms over her jewelry store, on the corner from 10 in the morning to 6 in the afternoon. Consultation and examination free.

KIDNEY TROUBLES PURE BLOOD Free from All Disease-Breeding Germs. Important--- Important--- Important! It is not only important but absolutely necessary to have pure blood if you wish to get rid of Kidney, Liver or Bladder Troubles. Kill the germs, purify the blood and the cause is eradicated, the disease cured and health returns. These little disease breeding germs float about in impure blood, and traveling throughout the body alight on any spot that is weak, and when the Kidneys, Liver or Bladder have such spots they become affected. Unless killed at once and the blood redeemed from these germs of death, they multiply rapidly until the tissues become so involved, that the organs failing to do their duty, the whole structure suffers. Swarms of these living germs finally get the upper hand, destroy these delicate organs altogether, and the result is death. One of the greatest remedies—antiseptic and a germ destroyer—is Cramer's Kidney and Liver Cure—Safe but sure it goes to the root of the evil. A vegetable compound, scientifically made especially to act on the blood—becoming a component part of it—destroying all the living germs of any kind—it goes right to the seat of the trouble, killing the little pests and restoring and strengthening the tissues until relief and a cure is effected—The bright eye, the appetite and ambition will again be yours. OMAHA, Neb., April 2, 1900. CRAMER CHEMICAL CO. ALBANY, N. Y., Feb. 5, 1900. CRAMER CHEMICAL CO. "Gentle—I have been a great sufferer from kidney troubles for some time. I was so bad I could not lift anything, or stoop at all. My appetite was poor and I was completely run down. I took two bottles of Cramer's Kidney Cure and now I am able to do a big day's work. I have a good appetite and I can recommend your medicine to anyone afflicted with kidney disease." HENRY KOEHLER, North 15th St. "Gentle—I have been a great sufferer from kidney difficulties for a number of years. Have taken all kinds of remedies without benefit until I heard of Cramer's Kidney Cure. I thought too bottles and used it directed, with the most gratifying results. I am now entirely free from headache from which I was a constant sufferer, and can safely say that by the continued use of your valuable remedy the worst forms of kidney disease can certainly be cured."
