

ALLIES TAKE PAO TING FU

Captured by Column of Troops Sent From Peking.

URNS BACK BLACK FLAGS.

Li Hung Chang Orders Them to Abandon Their March Northward Through China. Southern Rebellion Continues to Spread. News of Execution of Chang Yen Hoon.

London, Oct. 17.—A dispatch from Shanghai states that Pao Ting Fu was captured Saturday by a force of 7,000 allies sent from Peking for that purpose.

London, Oct. 17.—There is no confirmation of the reported capture of Pao Ting Fu, of which, according to the Shanghai Echo, M. Duchien, the French consul there, has received news. The report is generally discredited in London, especially as there is no direct telegraphic communication between Shanghai and Pao Ting Fu.

Hong Kong dispatches tell of the continued spread of the southern rebellion. The Hong Kong correspondent of the Daily Express sends a report that the British torpedo boat destroyer Handy shelled 2,000 rebels who were advancing on San Chuan, killing 40 and wounding hundreds.

The evidences of Prince Tuan's continuance in power cause anxiety. According to the Shanghai correspondent of the Post, it has caused a serious depression in trade there.

Shanghai telegrams report that the local mandarins have received telegrams from Prince Tuan that the court is in safe keeping and exhorting them to have patience until winter deicides the allies, to keep the arsenals in constant work "and everything in readiness for a massacre of all foreigners when the proper time arrives."

The Shan Tung Boxers are returning to their homes. Twelve hundred of them were defeated near the Chi Li border by 5,000 of Governor Yun Chi Kai's troops under General Mei.

EXECUTION OF CHANG HOON

Former Minister to United States Decapitated by Order of the Emperor.

Washington, Oct. 17.—Confirmation has been received here of the execution on July 20 of Chang Yen Hoon, the former Chinese minister to the United States. Chang was a loyal adherent of the emperor and a warm supporter of the emperor's reform movements. When the emperor dower supplanted the emperor two years ago he was banished to Nebraska, but through the intervention of the American and British ministers his punishment was commuted to banishment in the province of Kasgharia. It now appears that the emperor dower, taking advantage of the late reign of terror at Peking and knowing Chang's influence with the emperor, ordered his execution by decapitation. Chang was considered by those familiar with Chinese affairs as one of the ablest men in China.

Turns Back the Black Flags.

Paris, Oct. 17.—At a cabinet council held at the Elysee palace yesterday the minister of foreign affairs, M. Delcasse, announced that all the powers have accepted the French note as the basis for negotiations.

The minister added that he had been informed Li Hung Chang has just ordered the Black Flags and Kwang Si troops, which are traversing the province of Hu Nan, on the way to join the court at Sian Fu, to abandon their march and return to Canton.

Baroness Von Kettler Arrives.

Victoria, B. C., Oct. 17.—Baroness von Kettler, accompanied by her brother, Henry S. Ledyard, and his bride, who went to Japan to meet the bereaved wife of the German minister, arrived on the Empress of Japan yesterday. The baroness was confined to her state room and has scarcely left it during the voyage from the orient. Her nerves were all but shattered as a result of the trying experiences she has undergone.

Miss Hammell Dies of Her Injuries.

Vanwert, O., Oct. 17.—Miss Alice Hammell died last night of injuries caused by a fall from a horse on Sept. 16 by Mrs. John Van Liew, wife of a cashier of a local bank. Miss Hammell was a well known and highly respected young lady. Mrs. Van Liew was arrested shortly after the crime, was committed and is now under bond for her appearance. Jealousy was said to be the motive of the crime.

Miss Gast After More Records.

New York, Oct. 17.—Miss Margaret Gast, the record breaking wheel woman, who lowered the 2,000 mile record over the Valley Stream course at 7:05 Monday evening, is still pedalling away in quest of more long distance honors. Yesterday Miss Gast finished 2,175 miles. She expects to ride 3,000 miles and break all records.

Matthews Defeats Ferns.

Detroit, Oct. 17.—Matty Matthews of New York and "Rube" Ferns of Buffalo met before the Cadillac Athletic club last night for the second time for the welterweight championship, and after 15 rounds of fighting, Referee Siler gave the decision to Matthews. The decision on their former fight went to Ferns.

Iron Production Doubles.

The production of iron, always a reliable trade barometer, has doubled since 1894, when free trade ruled the country. In that year we produced 6,637,388 tons. In 1899 the furnaces turned out 13,629,703 tons. Who would go back to the old scheme?

MANY DELEGATES PRESENT.

Street Railway Men Open Their Meeting With Good Attendance.

Kansas City, Oct. 17.—The American Street Railway association opened its annual meeting here yesterday with several hundred delegates present from all parts of the country. The first session was a short one, routine in character. J. M. Roach of Chicago, president, delivered an address of welcome, following which the reports of the executive committee and that of T. C. Pennington, secretary and treasurer, were read. D. R. Holmes of Kansas City, of the Metropolitan Street Railway company, read an interesting paper on "Consolidation of Street Railways and its Effect Upon the Public." An extensive exhibition of street railway supplies is being shown.

AMBUSHING AMERICANS

Two Small Parties are Attacked by Large Numbers of Filipinos and Suffer Severe Losses.

Manila, Oct. 16.—A detachment of 20 men of the Twenty-fourth regiment, while engaged in repairing telegraph wires, Oct. 10, at a point near San Jose, Nueva Ecija province, Isle de Luzon, were set upon by 200 insurgents and were overpowered and scattered. Seven of the Americans reached San Jose, but it is probable the remainder were captured.

The enemy surprised a party of scouts of the Forty-third infantry at a point 33 miles from Takloban, Leyte island, killing three of the Americans at the first volley. Two escaped and gave the alarm, but the enemy succeeded in evading their pursuers. The native police of Takloban had conspired to surprise the Americans. The bodies of the dead soldiers were badly mutilated.

TWO MEN KILLED IN WRECK.

Fatal Accident Near Chicago Caused by Removal of Rail by Section Gang.

Chicago, Oct. 17.—Two men were killed and one fatally injured by the derailment of a freight train on the Chicago and Alton at Lawndale, near here, yesterday.

The dead: Charles Eaton, engineer; Wilson, fireman.

The injured: B. F. Strimple, brakeman.

The victims were all residents of Bloomington, Ills. The wreck was caused by the removal of a rail by a section gang making repairs. It is said they failed to post any danger signals.

NORFOLK IS HONORED.

State Federation of Woman's Club Chooses Officers From this City—Club Meets Monday.

The Norfolk delegates to the state federation of woman's clubs, held in Lincoln this week, have returned and report a very successful and interesting session. Norfolk received a liberal share of the honors, Mrs. A. J. Durland being elected vice president, of the state federation. Mrs. Draper was elected president, Miss McCarn of Fremont recording secretary, and Mrs. Neely of Omaha corresponding secretary.

The Household Economic department, at this session joined the state federation and Mrs. W. G. Baker of this city was elected president while Mrs. E. Seymour was honored by being elected secretary and treasurer of the same department.

There were 127 delegates and 30 visitors from the various clubs of the state in attendance at the meetings. They had the pleasure of hearing Miss Alice French (Octave Thanet) of Davenport, Iowa, who gave a short talk before the federation yesterday morning and a lecture last night. Mrs. Decker of Denver, formerly vice president of the national federation, addressed the delegates Thursday, and was followed by a talk from Chancellor Andrews of the state university.

The delegates speak very highly of the treatment accorded them by the people of Lincoln. There were entertained by the ladies of that city, and several receptions were tendered them. Mrs. W. J. Bryan was at home to them on Wednesday from 1:15 to 2:15, and Governor and Mrs. Poynter gave a reception at the governor's mansion Wednesday evening.

Woman's Club Program.

The Household Economic department of the Woman's club is for the benefit of each and every one of its members. At the meetings they discuss methods of doing work, the sanitation of the home, cooking, care of the little ones, and in fact everything that goes towards making the perfect home.

If any member has failures in making any particular dish she may ask to have it demonstrated when she will, no doubt, learn the cause of her own failure.

This department will meet with Mrs. H. E. Owen Monday afternoon, October 15. The afternoon will be devoted to the common potato. The program is as follows:

Demonstration, Mrs. Bullock. Potato Garnishing, Mrs. Gow. Paper "Constituents of the Potato," Mrs. Seymour.

Magazine review, Mrs. Warrick. Serving escalloped potato.

It is earnestly desired that all members of the Woman's club be present.

THE BALLOT IS FORMED

Secretary of State Porter Has Certified Candidates to be Voted for This Fall—Form Not Official.

Secretary of State Porter has certified the candidates on the electoral, state and congressional tickets to the various county clerks of the state with the recommendation that they may be printed in two columns. When this is done it will make a ballot 42 inches long and 14 inches wide, making the largest ballot ever known in the state. Printed in a single column the ballot would be 84 inches long. There are five tickets for presidential electors on the ticket, the three fusion parties combining under one ticket. The other four are republican, populist, prohibition and socialist.

The certificate comes in a form to indicate a completed ballot but county clerks are the men upon whom the responsibility of interpreting the election law will fall and they are supposed to arrange the ballot legally without regard to Mr. Porter's arrangements which are said to be in direct violation of the law.

The State Journal has the following comment on the ballot: "Mr. Porter has placed the names of the candidates on a ticket of his own manufacture. His form of the ballot is no guide for county clerks, as such officers must comply with the election law. As Mr. Porter's form is in violation of the plain letter and spirit of the law, it is considered dangerous for an officer to copy after it. The ballot law does not require Mr. Porter to place the names of the candidates in the form of a ballot, but merely requires him to certify to county clerks the names of all the nominees. Mr. Porter does not pretend that anyone shall be required to copy from the form set forth by him. However, many county clerks may, through a misapprehension of the law, accept his certificate as a guide in printing the ballot. Wherever a county officer permits the law to be violated he will probably encounter mandamus suit, and the courts will correct errors. Notwithstanding the decision of the district court of Lancaster county, Mr. Porter has certified the nominees of the Grand Island convention as "mid-road populists" instead of "populists."

"The most misleading part of Mr. Porter's certificate is the order of the party candidates. He has placed the fusion candidates first. The republican candidates are entitled to come first under each heading on the ticket, as that party cast the largest vote for the head of the ticket at the last general election. As the fusion party is no party, but is composed of three separate and distinct parties, the candidates representing that conglomeration must trail in the rear. This is one of the penalties which the three wings of fusion must pay for taking so much pains to hold three conventions and to maintain separate party organizations.

"The law on this point speaks plainly of the 'party' casting the highest number of votes at the last election, and not the 'candidate.' It says: 'The names of the candidates for each office shall be arranged as follows: The party polling the highest number of votes at the last general election for the head of the state ticket shall have the right of its nominee immediately beneath the name of the office for which such candidate was nominated. The party polling the second highest number shall have the second place, and so on.'"

ARMY INTERFERENCE!

Some Facts for Democratic Spill-Blinders to Peruse and Ponder.

While all this speechmaking is going on about the army and the danger of "militarism," it would be well to bear in mind the facts given below:

The army has never interfered but twice in labor troubles, and then after state resources were exhausted.

The first occasion was in the Debs trouble in Chicago in 1894.

The city government was powerless to stop the rioting, and John P. Altgeld, then governor, would not let the state militia be used.

Grover Cleveland, democrat, sent troops to Chicago, and the rioting was ended.

In the Coeur d'Alene district in Idaho mining troubles precipitated the rule of the mob.

The county authorities were helpless. Frank Steunenberg, twice elected as governor by the democratic-populist fusion element, called on the federal government for aid.

It was granted.

In neither case was there any interference by the national troops, who are in reality the national police, until the power of the local authority was gone.

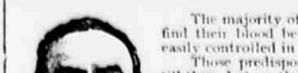

SHOOTS 6-YEAR-OLD GIRL.

Quarrel Between Brothers Causes Fatal Wounding of Child.

Sioux Rapids, Ia., Oct. 17.—Charles White shot his older brother, Frank White, in a family row. They are sons of Captain Edwin White, a prominent stockman and farmer living near Linn Grove. Frank was shot through the leg and a 6-year-old girl whom he held in his arms, was shot in the breast. The child will probably die. Charles is in hiding.

For the eight months ended August 31, 1900, the total exports from the United States amounted to \$564,699,934, an increase of \$49,599,501 for the same eight months of 1899.

HEALTHY OLD AGE SSS

The majority of persons upon reaching middle age and past find their blood becomes weak and thin, and diseases that were easily controlled in earlier life begin to affect the constitution.

Those predisposed to Scrofula, Cancer, Rheumatism, Gout and other hereditary troubles may escape till then, but as they age the blood, so long tainted and weakened by accumulated waste matters, is no longer able to properly nourish the body, and it becomes an easy mark for disease. At this critical period of life the blood must be re-enforced before it can perform its legitimate functions and rid the system of these poisons, and nothing so surely and effectually does this as S. S. S.

S. S. S. strengthens and enriches the blood, improves the appetite, and builds up the general constitution. It is not only the best blood purifier, but the best tonic for old people. It warms the blood, tones up the nerves, removes all taint from the blood, and prevents the development of disease.

S. S. S. is the only purely vegetable blood medicine known. Not one particle of mercury, potash or other mineral poison can be found in it, and it may be taken for any length of time without harm.

S. S. S. is the only remedy that reaches deep-seated blood troubles like Scrofula, Cancer, Rheumatism, Eczema, Tetter, etc. It purifies and restores the blood to a healthy, normal condition, and makes it impossible for any poisonous waste materials to accumulate.

If you have an old running sore or an obstinate ulcer that refuses to heal, or are troubled with boils and carbuncles, try S. S. S. It never fails to make a quick and permanent cure of these pests. If your system is run down and you feel the need of a tonic, S. S. S. will strengthen and help you as it has many others to a happy, healthy old age.

S. S. S. cured Mr. H. Barlen of Saunsville, Va., of a case of Eczema of thirty five years' standing, after the best physicians in the surrounding country had failed. This was seven years ago, and there has been no return of the disease.

Mr. D. R. Johnson, of Blackhear, Ga., was for years afflicted with a severe type of rheumatism, and had used every remedy known and recommended as a cure without receiving any benefit. S. S. S. promptly reached the seat of the disease and made a complete and permanent cure.

If you are in doubt about your disease, and will send us a statement of your case, our physician will give you any information or advice wanted, for which we make no charge.

Book on Blood and Skin Diseases sent to any desiring it. Address Swift Specific Co., Atlanta, Ga.

S. S. S. IS THE IDEAL TONIC AND BLOOD PURIFIER FOR OLD PEOPLE.

August Flower. "It is a surprising fact," says Prof. Houton, "that in my travels in all parts of the world, for the last ten years, have met more people having used Green's August Flower than any other remedy, for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion." Sample bottles free at A. K. Leonard's. Sold by dealers in all civilized countries.

Dr. Sadie Hart Miller, a graduate of the American School of Osteopathy at Kirksville, Missouri, has done an office in Norfolk in the practice of a new system of healing. Rooms over the Hayes' jewelry store, opens from 10 in the morning to 10 in the afternoon. Consultation and examination free.

The complete service of "The Chicago-Portland Special" via Union Pacific, enables passengers to reach the principal cities between the north and Pacific coast and Missouri river not only in the shortest possible space of time, but also in the most comfortable and enjoyable manner. The dining cars on this train are stocked with the best the market affords. All meals served a la carte.

Farming in Colorado and New Mexico. The Denver & Rio Grande railroad, "The Scenic Line of the World," has prepared an illustrated book upon the above subject, which will be sent free to farmers desiring to change their location. This publication gives valuable information in regard to the agricultural, horticultural and live stock interests of this section, and should be in the hands of everyone who desires to become acquainted with the methods of farming by irrigation. Write S. K. Hooper, G. P. & T. A., Denver, Colo.

Blood.

We live by our blood, and on it. We thrive or starve, as our blood is rich or poor.

There is nothing else to live on or by. When strength is full and spirits high, we are being refreshed, bone muscle and brain, in body and mind, with continual flow of rich blood.

This is health. When weak, in low spirits, no cheer, no spring, when rest is not rest and sleep is not sleep, we are starved; our blood is poor; there is little nutriment in it.

Back of the blood, is food, to keep the blood rich. When it fails, take Scott's Emulsion of Cod Liver Oil. It sets the whole body going again—man woman and child.

If you have not tried it, send for free sample, its agreeable taste will surprise you. SCOTT & BOWNE, Chemists, 499-515 Pearl Street, New York. 50c and \$1.00; all druggists.

YOU ARE CORDIALLY INVITED TO VISIT

Michael's Studio

We shall be pleased to see you even if you do not need any work in our line. Come in and get acquainted and see our lovely line of photos, where you will find the very latest in styles of mounts and finish. All work guaranteed satisfactory. We have a fine line of Oil Paintings, Water Colors, Pastel and Crayon Work. A large stock of Picture Frames and Mouldings. Amateur supplies always on hand and your work done promptly and reasonable. Your trade is wanted at the finest gallery in this country.

Yours for Business.

C. P. MICHAEL.

KIDNEY TROUBLES PURE BLOOD

Free from All Disease-Breeding Germs. Important--- Important--- Important!

It is not only important but absolutely necessary to have pure blood if you wish to get rid of Kidney, Liver or Bladder Troubles. Kill the germs, purify the blood and the cause is eradicated, the disease cured and health returns.

These little disease breeding germs float about in impure blood, and traveling throughout the body alight on any spot that is weak, and when the Kidneys, Liver or Bladder have such spots they become affected. Unless killed at once and the blood redeemed from these germs of death, they multiply rapidly until the tissues become so involved, that the organs failing to do their duty, the whole structure suffers.

Swarms of these living germs finally get the upper hand, destroy these delicate organs altogether, and the result is death. One of the greatest remedies, antiseptic and a germ destroyer—is Cramer's Kidney and Liver Cure—Safe but sure it goes to the root of the evil. A vegetable compound, scientifically made especially to act on the blood—becoming a component part of it—destroying all the living germs of any kind—it goes right to the seat of the trouble, killing the little pests and restoring and strengthening the tissues until relief and a cure is effected—The bright eye, the appetite and ambition will again be yours.

OMAHA, Neb., April 2, 1900. CRAMER CHEMICAL CO.

Gents: I have been a great sufferer from kidney troubles for some time. I was so bad I could not lift anything, or stoop at all. My appetite was poor and I was completely run down. I took two bottles of Cramer's Kidney Cure and now I am able to do a big day's work. I have a good appetite and I can recommend your medicine to anyone afflicted with kidney disease. HENRY KOEHLER, North 18th St.

OMAHA, N. Y., Feb. 5, 1900. CRAMER CHEMICAL CO.

Gents: I have been a great sufferer from kidney difficulties for a number of years. Have taken all kinds of remedies without benefit until I heard of Cramer's Kidney Cure. I bought two bottles and used as directed, with the most gratifying results. I am now entirely free from headache from which I was a constant sufferer and can safely say that by the continued use of your valuable remedy the worst forms of kidney disease can certainly be cured. Very respectfully, JOSEPH MARX, Retail Clothier.

Insist on having CRAMER'S. Take no substitute. Sold by all druggists.

Manufactured by CRAMER CHEMICAL CO., Albany, N. Y.
