### STOCKS RISE ON ELECTION.

Heavy Buying the Feature of the Day on Wall Street.

New York, Nov. 8.—No such excited demand for stocks has been witnessed on the New York exchange since the boom days of the flotation of the securities of the new industrial combinations in the spring of 1899, as yesterday kept all departments of the stock exchange at fever heat of animation and activity. In the opening dealings there changed hands instantaneously with the sounding of the gong no less than 15,000 shares of Union Pacific, 3,000 shares of Alchison, 4,000 shares of Southern Pacific and of American Steel and Wire and of several thousand shares each of a number of other important stocks. This was as clear as could be ascertained by the usual method of records. The same stocks sold at the same time at prices 1/4 points apart. The buying continued with such animation and speculative sentiment became so buoyant, that buying for the long account was renewed on a very large scale by both professional and outside speculators.

Not a Member.

Employment in a library does not always imply the possession of extensive knowledge. This is evidenced by an anecdote related of a rector of a rural English church in London for a visit. A knotty theological point had presented itself for solution which required reference to the authorities. Being a guest of the Athenaeum club, whose extensive library was always a feature of interest, he resolved to make use of it. Approaching an attendant who, it happened, was but recently employed, he asked "whether Justin Martyr was in the library."  
"I don't think he is a member, my lord," was the solemn reply, "but I'll go and ask the porter."

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. Kiesau Drug Co.

When you have no appetite, do not relish your food and feel dull after eating you need a dose of Chamberlain's Stomach and Liver Tablets. Price 25c. Samples free at the Kiesau Drug Co.

### Does it Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest and cures the patient. Try one bottle. ### A Village Blacksmith Saved His Little Son's Life.

Mr. H. H. Black, the well known village blacksmith at Grahamsville, Sullivan Co., N. Y., says: "Our little son, five years old, had always been subject to croup, and so bad have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve

the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by the Kiesau Drug Co.
