Our Lincoln Letter.

JANUARY 11th, 1879. EDITOR JOURNAL :-- This is a very quiet day at the capitol, as most of the members have left to spend the Sabbath with their families (that is those that are possessed with the

There has been no business of importance transacted except the permanent organization of the two Houses, and appointment of the several standing committees.

These were mostly appointed through a system of "swapping" or compromising, brought about by supply will be ready to-morrow. there being so many candidates for speaker. Two gentlemen from Lancaster being candidates for speaker, very humbly took back seats by being put on committee of Public Lands and Buildings.

Scott, the candidate from York, was very ready and willing to throw his strength to Mathewson for the chairmanship of the judiciary committee, in consideration therefor. Owing to this fact, the members who were working in the interest of Mathewson before he came down here, received that which none of the compromise men asked for.

The committee on railroads are all good men, but (with one exception) are either directly or indirectinterested in railroads in the
