We hope to hear him again, soon, and if he should appear in his special role in any of our neighboring towns, we assure the choicest of them that they will have a choice entertainment. -A. N. Briggs says that he has always been successful in raising potatoes on the following plan, viz: Put them into the ground as usual, but with only about two inches of dirt over them. Then, put on straw to the depth of six to eight inches. They need no further attention whatever until you come to gather them, which is done with much less trouble than is usual. Mr. Briggs says there is another thing in favor of this method, the bugs disturb them less. A Colorado gentleman says that two or three grains of flax seed planted in a hill of potatoes is a surety against bugs.

Wiedenhorn of Norfolk was in the city Monday. We learn that he is confident the bonds for the Union Pacific through Madison and Norfolk will carry. Messrs. Clark and Towne, Supts, and Messrs. Thurston and Galey, Atty's, of the U. P. and A. & N. Co's, respectively, had a conference with the Commissioners yesterday. W. W. Vandusen, P. J. Atty., will immediately submit a proposition to the voters of Madison Co.

EDITOR JOURNAL:—The open Temple of the Pioneer Temple of Honor, held at the new Baptist Church last night, was the most enjoyable affair that has taken place in this locality for some time. At an early hour in the evening all the available space in the large room was taken up by visitors, Templars and their paraphernalia. I will not attempt to go into details but will confine myself to the main features and condense as much as possible. After prayer by Alonzo Brooks the entertainment of the evening was formally opened with vocal and instrumental music by Mr. H. L. and Miss Birdie Brooks, followed with a speech by W. A. Hooford, in which with other things he furnished statistical proof that sixty thousand men annually fall drunkard graves in the United States, and five hundred thousand in the civilized world. Several lively tunes were played on the two organs by Mrs. E. A. Taylor and her sister Miss Emma Pardee, with violin accompaniment by Messrs. Nelson, Saxton, Warren and Hoot Long. The grand installation of officers was very impressive, the retiring officers taking their places with the other members, and the newly-installed taking their respective places in the Temple. J. J. Thompson, H. B. Kessler, W. R. Thompson, W. V. H. B. Kessler, W. R. Thompson, W. F. R. H. L. Brooks, W. P. S. J. Saxton, W. U. S. A. Case, W. D. U. Wm. Duncan, W. S. Warren, Long, W. G. Wm. Truelove. Latest Railroad Question. Alpha N. Burgess says the two car loads of furniture he just received was bought at the eastern market, selected by himself, was right there and bought according to his judgment the very best goods that could be found for the money, and further having now bought several thousand dollars and sold several thousand dollars worth of furniture, he feels satisfied if he can't compete with any house in the State that he will shut up the house and quit. Call and see how the goods sell for themselves.

Notice to Pre-emptors on Union Pacific R. R. Lands. We have just received a telegraph dispatch announcing the decision of the U. S. Supreme Court concerning the unpaid R. R. lands. The decision is in favor of the Secretary Schurz's decision, and holds the land grant mortgage to be a disposal of the land as claimed by the Railroad Company. We are directed by the R. R. Co. to notify all pre-emptors on said lands that if they do not waste the same within ten days from date they will be prosecuted to the full extent of the law. April 21st, 1879. SPEICE & NORTH, Agents For U. P. R. R. Lands.

The Death-rate of Our country is getting to be fearfully alarming, the average of life being lessened every year, without any reasonable cause, death resulting generally from the most insignificant origin. At this season of the year especially, a cold is such a common thing that in the hurry of every day life we are apt to overlook the dangers attending it and often find too late, that a Fever or Lung trouble has already set its thousands lose their lives in this way every winter, while had Basche's German Syrup been taken, a cure would have resulted, and a large bill from a Doctor been avoided. For all diseases of the Throat and Lungs, Basche's German Syrup has proved itself to be the greatest discovery of its kind in medicine. Every Druggist in this country will tell you of its wonderful effect. Over 950,000 bottles sold last year without a single failure known. Sold by C. B. Stillman, Doland & Smith and A. Heintz, Columbus, Neb.
