### That Stock Problem.

CRESTON, Platte Co., Neb.,) January 10th 1880.

EDITOR JOURNAL :-- In looking over the stock problem by Mr Ziegier, I think I notice two or three errors to which allow me to call attention; also allow me to say that give below. The first calf will have

so far 38, which is 6 less. Then the first calf's calf will have 4 instead of 5, and so on through, the fifth not having any, will make the account thus far stand 48, which is 11 less. Again, if the first calf's calf's calf would have 2, the second calf's calf's calf would have I, but I can't injudicious action taken by the so figure it, and thus cut ofl one more, making 49 as total, instead of 61. Now for the two-year olds, all the Indians engaged in murdering being heifers as below calculated :

EVERY prudent man should have his life insured in some good company, L The NEW YORK LIFE offers inducements in the Tontine Investment Plan that cannot be given by any other company. All persons wanting insurance from \$1,000 and upwards will please call on some member of the Local Board, as each member of this Board is authorized to procure the insurance desired, and ADOLPH J.KGGI, the Secretary, is authorized to write the applications, and will keep on hand a full supply of books and circulars for distribution

C. T. TAYLOR, General Agent,

Omaha, Nebraska.

At prices that were never heard of before in Columbus.

and as I buy my goods strictly for cash, I will give my customers the ben-efit of it, and supply them with anything in my line at much lower prices than they were ever known to be heretofore.

All I ask for is, give me a friendly call and convince yourself of the facts.

the expiration of their contract, which runs three years. After a full review of the case, the judge concluded by saying that he had no doubt that the union represented in
