Nance & Paddock.

The unfounded rumors of an attempt to supersede Paddock places Governor Nance in a very delicate position. Say what he will, or do what he may, there are friends who insist that he should be a candidate. and there are others not so friendly, who insist that he is a candidate .-Fortunately Senator Paddock is a man who cannot be easily duped, and we do not apprehend that he is at all disturbed by the report. Paddock has many warm friends in Nebraska, and his chances are good, but if he is defeated it will not be the fault of Governor Nance .-

The above, appearing in an Osce-

supposed to come directly (or remotely) from Governor Nance him-Whether we have in this paragraph the Governor's own language or that of a bosom friend, it the grave had been robbed of its seems strange that "unfounded rumore" should place Mr. Nance in a delicate, nay, in a very-delicate position, if Mr. Nance does not intend, under certain contingencies, to be a candidate for senator against Mr. Paddock. If he shouldn't be a cantween 3,000 and 4,000 are known to didate; is not a candidate; or will be on the way. It is stated that the not be a candidate, wherein consists majority of them are Germans. Send | the extreme delicacy of the situation? them to Nebraska, where they can The game of politics, or rather the contest for office, is sometimes played a little finer than there is any MARGARET GRAHAM, an old and necessity for, especially when the demented woman who left the train situation is very delicate. Now, for at Lincoln some time since appears instance, it is presumable that Mr. to be lost. Some facts in her case Nance may secure, without much appear to indicate that she may have trouble, his own renomination as friends at Logansport, Ind., or Kear- governor; if he intends trying for ney, Neb. She greatly needs, at this that and that only, what conceivable delicacy is there in the situation? We can imagine no delicacy in the E. F. WILLIAMSON, the originator | Nance situation except on the suppoof the annoyances of Rev. Morgan sition that while "there are others, Dix, has been arrested in Baltimore not so friendly, who insist that he is and taken to New York. A young a candidate," and "there are friends man in New York informed Dr. Dix who insist that he should be a canthat he had known Williamson in didate," he himself might besitate to London, where he had been tried let go of the governorship before he and sentenced to Newgate for one has a good held on the senatorial chair. The governor may some-

times think that if he occupies the gubernatorial chair two terms the people may imagine the due measure of his ambition is filled, and not now the lesser glory, he may secure ed in said Platte county, for at least the greater, and thus, by anchoring the on-gazing world, he may climb

to still higher ground. The JOURNAL desires to see Mr. Paddock re-elected to the Senate, because the JOURNAL knows he has done well for his constituency, and believes that his power for good at Washington is greater than that of any new member would be. At the same time we insist that by all means the "very delicate position" in which Mr. Nance (or his friend,) says he is placed, be at once relieved QUEEN VICTORIA, in her speech or mitigated, in some way or other. proroguing parliament, referring to Will Bro.
