Although we took pretty the object of the meeting, and urged complete notes of the hearing, we the importance of a thorough orgando not consider it worth while to ization of the party in Platte county give the testimony at length. It will | this fall, believing that it was in the be remembered, as stated by the majority, if the entire vote could JOURNAL last week, that it was be got out. alleged by the proscution that Cockburn gave a package of sugar to cluded to call the precinct caucusses Young which contained a quantity for the 8th day of May, and the of corrosive sublimate.

According to Young's testimony the sugar that he took, coming from | that delegates from the country could the sack, produced bad effects upon himself, and afterwards, upon being additional expense. administered to some domestic animals, either sickened or killed them. ner, it being thought that that rep-The sugar was received on the 24th of last November, and he claims to resented, nearer than any other, the have been diligently trying ever since to get an analysis by competent chemists to show the exact amount of poison contained in the

Prof. Aughey of Lincoln was put upon the stand for this purpose and testified that if the corrosive sublimate had been distributed uniformly it would have taken 2,000 ounces lumbus, by July 1, '80. or 125 pounds of the sugar to contain enough of the poison to produce death. It is only justice to the prosecution to say that they did not know beforehand, and had no intithe professor would be, and it changed materially their presentation of the case, necessitating them to adopt the theory that the poison was put upon the sugar at the top of the bag, and that what was sent the professor | Carrig. was not nearly so strongly impregnated with the poison. There was no evidence adduced to show maliciousness on the part of the accused toward the prosecuting witness, and The judge, in rendering his decis-

Map of Platte Co.

Messrs. Speice & North, real estate agents of this city, have done an excellent thing in preparing for sale a splendid map of the county showing the location of all the towns, farms, &c. It may be set down as absolutely correct, in all important particulars. Wright of Omaha is the draughtsman, and the lithographers, August Gass & Co. of St. Louis. The work on the map is done in the best of style, and one of these, handsomely mounted, should adorn the walls of every tarm-house and office in the county. We find it very valuable for reference, and have had ours but a few days. We hope that while these gentlemen will feel as- The bereaved ones have the sym--- From Mr. W. H. Cotton, who sured that they have done a public was in the city yesterday, we learn good, they will have purchasers enough for their very handsome structive fire in the western part of map to justify them in still further ventures in this line. Sold by Speice & North, at their office on

-The A. & N. having been leased to the B. & M. for 999 years, and the Craig, R H B. & M. having been consolidated with or merged into the C.
