Sir: Gratitude prompts me to write you a few lines, informing you of my wife's great improvement under your treat-Genoa, on the Loup. All cattle receipted for at the Ranche, and all must ment. She feels young once more, and can do a good day's work. She is better than she has been for 20 years. I have paid out a good deal of money to quack doctors, and nostrums of the day, to no benefit; and she has never received any benefit until she commenced your treatment, and if any person doubts it let them call at my residence or write, and will prove my assertion. I saw one of my neighbors last night; she is in the rand rally of Irishmen in behalf of first stages of consumption. 1 am going to take my wife and see them, and try urday, May 1st, at 2 o'clock p. m., at the to prevail on them to go and see you. Yours with much respect,
