The city saves three thousand dollars yearly interest. Her credit is

She goes into the market with ready cash, and purchases her labor and material for cash, with all the discounts that cash commands.

Now these are stubborn facts. If 'Nemo" has any better remedy t apply, please let us hear from him OMEN.

How Is It?

the tax-payers of Columbus how, after the official terms of city officers had commenced, their salaries could be legally increased under the con-

Constitution, article 3, section 16, provides that the compensation o between Sioux City and Norfolk. If any public officer shall not be increased or diminished during his

Section 75, session laws 1879, page trains from Columbus to Sioux City | 220, now in force, is as follows on the

> "The emoluments of no officer "where election or appointments is required by this chapter shall be "Increased or diminished during the "term for which he shall have been "elected or appointed."

Several hundred dollars of indebtedness has been made this year in the way of increasing salaries of officers. Also it is going to cost the city nearly two hundred dollars to have her ordinances revised and printed in pamphlet form. Warrants will have to be used for these matters, and if they are not paid, it will be argued-that the honest and very just indebtedness of our city must be met, therefore refunding bonds must be voted to redeem our paper that has been issued contrary to law. Would it not have been more just and business like for that body to apply the above amount to-

"Habitual Drunkard"

ED. JOURNAL: The new liquo aw makes it an offense punishable by a fine of \$50, "to sell any intoxleating liquors to any Indian, insane person or idiot, or habitual puting as to what this latter term you decide between us. DAD. degrees, ranging from very moderhabitual drunkards are all on the can justify drunkenness, even once, but, evidently, such are not included in the law. Those given to drunkcase in illustration can be named easier than the phrase can be defined. We have an instance in mind where a man could not begin drinking and stop short of drunkenness. In our opinion, the law contemplates that men in whom such a habit is so strongly fixed, need to be protected against the force of their own evil habit, by the force of law, against those privileged to sell intoxicating drinks. Webster defines habit as a disposition or condition of the mind or body, a tendency or aptitude for the performance of cer-

Plainly, an habitual drunkard is a vidual and work-and-labor, neatly ting drunk, just as persons too strongly addicted to any habit go to excess.
