The Nebraska Woman Suffrage ssociation will hold its next state convention at Norfolk the latter part of the present month, Meanwhile the counties comprising the Fifth udicial district will be canvassed as thoroughly as possible in the limited time remaining. Mrs. Clara B. Colby, vice-president at large, will visit the eastern counties of the district. The western portion will be canvassed by Mrs. Harriet S. Brooks. president, and Mrs. Ada M. Bittenbender, secretary of the association. who will meet engagements at about the following dates: Starting from Columbus on Monday next, the 7th these ladies will be at Genoa on the 8th and 9th; at Fullerton on the 10th and 11th; at Albion on the 12th and 13th; at Madison on the 14th and 16th; at Norfolk on the 17th; at Oakdale on the 18th and 19th; returning to Norfolk to spend Sunday, the 20th .- Omaha Republican.

JUDGE MAXWELL will, of course. e his own successor, but this did not prevent some interested persons or clique from distributing a circu ar against the upright Judge, whose rulings show no bias of partiality or personal interest. This is the first ime in the history of Nebraska poltics that we remember to have seen such a document, the unknown author ashamed to place his name in connection therewith. The circular itself bears internal evidence of the source whence it emanates, if not the individual who penned its un truthful lines. That element, which seems to have abundance of money at its disposal for such work, should expend it in square, honest business for the accomplishment of its ends, and not endeavor, by means to which assassins resort, to destroy both character and life.

THE arguments on the motion to set aside the criminal information in morning last week at Washington ed by District Attorney Corkhill and Brewster, of Philadelphia; Bliss, of New York, and Cook, of Washington, and the defense by Totton, Wilson, Shellabarger, R. G. Ingersoll Sypher and Jefferson Chandler, of St. Louis. The counsel on the part of the defendants claim that in such cases there could be no authority found in any of the statutes for filing a criminal information. No result had been reached, but the counsel for the defence, Mr. Ingersoll, insists that the grand jury is placed between the citizen and his reputation and in like cases protects his good name.

THE Omaha Republican of Nov. 8th, says: "Last evening a brief dispatch was received at Union Pa-Sunday a party of hunters who had having mistaken it for baking powder. They had the arsenic with them for the purpose of preserving meats. Four of the number have ers are dangerously ill, with little

or no hopes of recovery. THE County Central Committee appointed the delegates from Stanton Wayne, Cuming, Boone and Hall Judge Maxwell, and from what we have been able to gather they did not represent anybody but the rail-

We do not know how applicable the above is to the other counties. Omaha \$10,000 was pledged. The but we do know that it hits the nail square on the head here. The Re view opposed the proceedings of the central committee, and two-thirds ave four-fifths of the republicans of Wayne county are with us to-day .-Wayne Review.

LITTLE Ole Johnson had a terrible racket with a horse thief vesterday pony was missing. He immediately began a search, which resulted in discovering the missing animal tied alongside of another one, near the Dresser place. Without asking any questions, or any one's permission, Ole mounted his pony and started distance when he received a shot from the thief which tore his clothing, but otherwise did him little injury .-- Fullerton Lariat.

A TERRIBLE hurricane occurred the other day at Manseanillo, Mexico, blowing down the custom house and destroying many other houses, the Susquehanna river, which is so Stephenson, A. Atkinson, J. B. while nearly every roof in the city Furay, J. I. Redick, F. McShane, D. was blown off. There were five while nearly every roof in the city L. listic proclamations were distributed about the city and several copies were thrown into the barracks of the imperial guard. It is stated that the czar has lately received many threatening missives.

GUATEMALA'S SYMPATHY.

WASHINGTON, Nov. 2 .- Lorenzo Montufar, secretary of state for Guatemala, special envoy to convey in person the sympathy and condolence of his government with the government and people of the United States upon the death of President Garfield, called upon President Arthur in fulfillment of his mission. He was accompanied by Dr. Loring, minister of the United States to Central America, and by Secretary Blaine. President Arthur replied: Mr. Minister I am singularly

touched as well as deeply gratified

by the sympathetic expression of

sorrow with which the people and

government of Guatemala share in

the grief that has overshadowed our republic, and it is especially pleasing to me to receive the eloquent assurances of that sympathy through one so well fitted by his high station and personal qualities to speak in the name of his country. Called as I am in the pacific workings of the constitution which laid the foundation of freedom on our great continent a century ago, to succeed the wise and good chief magistrate whose loss we mourn, it is my aim to carry out and still further develop the purpose he so signally manifested of good will and earnest friendship toward all kindred republics of the new world, to which we are bound by the sacred ties of a common form of government and close material interests; and in your person, Mr. Minister, I greet the government and people of Guatemala with sincere wishes that they may ever possess the blessings of liberty and prosperity which the United States so earnestly desires to see shared by all its neighbors.

CLEVELAND, Ohio, Nov. 1 .-- This morning while Max Conn, a fouryear-old boy, was playing in the rear of Lederer's saloon, a beer keg, carelessly thrown from the third story window, struck him on the head in full sight of his mother. The lad's skull was horribly crushed, and his eyes almost driven from their sockets. He died shortly after the affair. Another keg thrown immediately after the fatal one, barely missed the head of the mother, who ran to her child's assistance.

LINCOLN, Ill., Oct. 31 .-- A shocking accident occurred here this afternoon at 3:30 o'clock. A boy by the name of Charles Abel, aged about 14 years, was riding a horse, which took fright and threw him off. His foot caught in the stirrup, and he was dragged along by the running animal until the body was crushed and mangled in a horrible manner. Death ensued instantly.

SMALL-POX AT DUBUQUE. DUBUQUE, Iowa, Nov. 1 .-- A small-

pox panic has taken possession of this city, and a special meeting of the City Council was held to-day to guard against its appearance. The Council passed a resolution urging all employers to see that their work people are vaccinated, and the children attending the public schools will be required to have the oper à tion performed on them. Poor people will be vaccinated at the expense of the city.

ASSASSINATION. VICKSBURG, Miss., Nov. 1 .- The Herald's special reports a dastardly assassination in Sharkey county. Several colored men on the way to a Fusion meeting were fired on from ambush. Perry Thompson was killed and two others dangerously wounded. All were inoffensive citizens. It is believed the assassins intended to shoot a prominent colored politician and a candidate on the Fusion ticket, but they had already passed.

RICH GOLD MINE. DENVER, Nov. 1 .-- One of the largest gold-bearing mineral discoveries was recently made in the summit district in this state. Judge Thomas, M. Bowen, of Del Norte, Col. and William H. Stevens, a Cleveland mining expert, having visited and examined the mine, prenounces it the most remarkable and valuable gold mine now being worked in the United States. Its assays are now running over \$20,000 in gold per ton. The product of the mine from fifteen stamp mills averages about \$100,000 a month in gold, and tailings from the mills show a value of \$360 per ton in gold. Bowen was really offered \$3,000,000 cash by Eastern capitalists for a half interest in the property, which he refused. The discovery has created considerable excitement in mining circles.

LANCASTER, Pa., Nov. 1 .-- A landslide from the hills covered the Columbia and Port Deposit railroad at Turkey Hill, one mile from Safe terrible accident. A freight train ran into it, and the engine and sev enteen cars were wrecked. The engine and six cars were hurled into deep at that point that all of them were covered by the water. The engineer, Ellis Ault, of Columbia, was cut to pieces, and only one leg has been found so far.
