Prof. J. Henry Boyle, under the auspices of the Royal Arcanum, will lecture at the Opera House Wednesday evening, January 4th, 1882, upon the subject of Nihilism and the great empire of the Czar; Russia, what was, what is, or may be, government, church, education. Russian life. The fact that the secret of Nihilism has been so well kept seems to evince that it existed only in a few heads and hands. But those few hands had the means of penetrating the innermost recesses of the imperial palace. They had at their disposal all the terrible enginery of secret murder. One writer says: "It takes its uninvited seat at the Czar's most private table: the shadowy form glides ominously among his most trusted servants, and penetrates the thickest lines of his surrounding guards."
