Furny Indicted.

Civil Service Soldiers

The grand jury recently discharged at Deadwood found a bill against United States Postal Agent John B. Furay for attempt to bribe the previous grand jury to find a bill against a former postmaster Soloman Star, District Attorney Hugh Campbell, of Louisiana returning board notoriety, and a great friend of Furay, pocketed all the documents. Other charges of a serious character exist against Furay, and will be presented to the department, as also Campbell's dereliction.—Chicago Times.

TOMBSONE, March 29.-This morning Deputy Sheriff Breckenridge, with a posse composed of Jack Young. E. H. Allen and John A. Gillespie, went to Chandler's ranche, about eight miles from town, to arrest two notorious desperadoes, Billy Grounds, alias "Billy the Kid," and Deming Hunt, for whom warrants were out for cattle stealing. On arriving at the ranch, Grounds and Hunt came out and at once commenced firing. when the battle became general. Hunt shot Gillespie through the head, dropping him dead in his tracks, and wounded Allen slightly in the neck by another shot. Allen then sent s ball through Hunt's breast, bringing him down mortally wounded. Breckenridge put a charge of buckshot inpressed among republican senators to Grounds' face and head, inflicting fatal wounds. Young, who was at the rear of the house to prevent the escape of cow boys in that direction, was shot through the thigh, probably they desired while others fail to se- Grounds. Louisville, March, 29 .- Allen Fox,

A Suggestion of Nature. ED. JOURNAL :- When we came to this place, two small unthrifty apple trees stood in what was used as a garden, I think we were told they had been planted three or four years before. We paid no attention to them, and they remained it statu avo some three years longer. They were exposed on the south, but well prosides. The cultivation of the spot being discontinued, seeds from the box-elder trees standing near one of them, sprang up thickly around it, forming quite a thicket about it. thus surrounded, it has made a fine whilst the other, standing exposed, looks as much like a thorn-bush as ever. Every time I notice the trees it occurs to my mind that it would be a good idea to prepare the spot designed for an orchard by sewing these or other seeds upon it a year previous or planting the trees in a young grove of forest trees, and re-

quired. Has such plan ever been tried, or is it a woman's impracticable notion? Longlook Farm.
