REPUBLICAN TICKET.

For Member of Congress District No. M. K. TURNER. Platte County.

For Representatives, E. B. HALL, JOHN HAMMOND. For Commissioner District No. 2. NILS OLESON

We, the republicans of the Third congressional district, hereby affirm our loyalty to the cardinal principles of the republican party as enunciated through the national republican convention that nominated Garfield and Arthur; WHEREAS, The republican party has

ever since its organization been foremost in adopting measures beneficial to the laboring and producing classes. Resolved. That the question of transportation is one of the most important problems now before the people for solution, and that the republican party of Nebraska should voice the entiments of the people thereon in no uncertain sound; that all transportation routes should be so controiled by the state and general governments as to prevent extortion, unjust charges and discrimination in any form or manner: that the action of the different railroad companies throughout the United States in concompeting lines and issuing free pass- people. es to public officers is contrary to a sound public policy, and should be
