Platform.

We, the republicans of the Third congressional district, hereby affirm our loyalty to the cardinal principles of the republican party as enunciated through the national republican convention that nominated Garfield and

Arthur; WHEREAS, The Republican party has ever since its organization been foremost in adopting measures beneficial to the laboring and producing classes.

Resolved, That the question of transportation is one of the most important problems now before the people for solution, and that the republican party of Nebraska should voice the sentiments of the people thereon in trolled by the state and general govany form or manner; that the action of the different railroad companies throughout the United States in consolidating and pooling otherwise sound public policy, and should be prevented by proper legislation.

Resolved, That we are in favor of reducing all railroad fares for travel as lands owned by individuals are in this state to a maximum charge of taxed. The manner of Mr. Valenthree cents per mile.

Resolved. That we are in favor of abolishing the state board of equali-

ner as the property of individuals. Resolved, That we are heartily in favor of the bill recently introduced the true issues by such weak and in congress to compel land grant rail- flimsy attempts at argument. roads to take out patents on their lands, so that the same may be taxed, as lands owned by individuals are several appointments made by the
