Omaha Herald.

U. S. Senator.

The contest is over, and Gen. C. F. Manderson, of Omaha, wins the prize. Gen. Manderson was born in Philadelphia, Feb. 9, 1838. In 1857 he removed to Canton, Ohio, where he read law and was admitted to the bar in 1860. In April, 1861, he raised Co. A, 19th Ohio Infantry, and was pronot only constitutional, but is the moted to major. For gallant services at Shiloh and Stone River he was promoted to the colonelcy, and afterwards brevetted brigadier general. In consequence of a wound received at forced to resign—when he returned to than \$25 or more than \$100 for the of this glorious state, and I go to the Canton and resumed the practice of law. In 1869 he came west and located in Omaha as the law partner of Judge Savage. He was elected to the constitutional convention of this state in 1871, and again in 1875. Gen. Manderson is a prominent member of the

G. A. R. The Lincoln Journal says: "His ability is unquestioned, his record as a soldier and citizen is clean. and as a lawyer he occupies a high rank in a bar as able as can be found in any western state. That he will take his place in the front line in the national councils is not a matter of doubt among those who know him The Omaha Bee in speaking of what

happened in the caucus which nominated Gen. Manderson says "the nomination of Manderson elicited cheer after cheer from the members and spectators. General Manderson was called for and made one of the happiest speeches of his life, congratulating the republicans upon the harmonious conclusion of the contest that had been waged for fourteen days without engendering bitter feelings among rival candidates. He believed the republicans were entering upon a new era, and pledged himself to devote his energies and talents to the party in the state." The Bee further says:

"The general impression is very favorable among all classes. The anti-monops regard the choice as satisfactory as that of any other of the prominent republican candidates."

The Omaha Republican says: "General Manderson is essentially the pure man in politics. There is no man in the state of Nebraska who can point to a flaw in his political record. manly act. Personally he is alike counts every conscientious and intelfriend of his honesty and the admirer | time and place as it may see fit. of his generosity and affability. His path has been straight."

A CHICAGO philosopher delivered a

discourse the other night on the evils and a man for thirty-five years, but of government, starting out with the statement that there never had been set aside the judgments on the ground | very much trouble, here or elsewhere, in governing the people, but, always and everywhere, the work and worry and expense of the matter came when you undertook to govern the managers, boss the bosses. The Chicago philosopher is entitled to the thanks of the reading public for reminding them of this fact, and for illustrating it by historical examples. When you come to think of it, and turn over your store of historical events, you will find there is a great deal more of truth than poetry in the statement. It has been true of what are regarded as the great characters in history, and it is undoubtedly the bottom fact in our modern political life. How many many, many times the people must vote their will in public matters before the bosses, the managers, can be induced to "see it in that light!" When a corrupt, unscrupulous man has fastened himself like a barnacle to the ship of state, how difficult a matter it is for the public to get rid of him. The history of political parties in America has demonstrated the A MR. BONNER, of Omaha, has got- same fact as to dominant parties. But I do not high office to which you have called for breakfast, or what we expect to me. I look forward to no six years have for supper, or whether we sleep of ease. I know that it means a term of hard labor and earnest work. I believe there is something higher and nobler in the position of Senator of the United States than of being sim-

ply the medium through which the pass. That is a part of the duty, perhaps, but I look upon it as the meanest part of it. I shall endeavor faithfully to perform it, but I certainly The rules were suspended and the will not be because I do not desire to reach that high aim, but it will be from an inherent weakness beyond time is progressing and that you are this state. A. None of your busi-Again, I heartily thank you, and giving my thanks to you, I desire to return the most hearty thanks to the gentlemen who have vied with me for this high office. It is to the credit of this state that we come out of this fight with no bitterness between the gentiemen who have asked support at

plaint against one of them. I have no word except that of the highest praise and most fraternal regard. Again I thank you, gentlemen, for this high honor. [Applause.] During the whole hour of the con-

vention, the floor of the House, lobbies and gallery were thronged to their utmost capacity with people eager to render honor to the newlyelected Senator.

The Special.

The special railroad committee is getting some information on railroad matters that may be of more or less benefit. On the 26th ult. the committee met, and the Bee correspondent gives us the work of the afternoon : There were present Senators Revnolds of Butler, Dech of Saunders and Brown of Clay, and Mr. Grout of Otoe, who, as on former occasions, acted as chairman. Mr. Galey appeared on behalf of the committee. and Judge Mason and Assistant B. & M. Attorney Deweese were present to look after the railroads. Senator Reynolds made a request that

be sworn, which being complied with. the learned judge was put through the following examination: Question. Will you state to the committee for whom you appear here? Answer. I appear first for citizen

Q. Well, for any other persons? A. Yes, sir. Q. State, please. A. Well, if the committee desire to know. If a majority of this committee desire to know. I have no objection to telling. At this juncture in the proceedings considerable discussion took place, and Senator Dech moved that it is the sense of this committee to know for whom Judge Mason appears.

Senator Reynolds seconded the mo-Senator Brown wanted to know what bearing it was supposed to have. Senator Reynolds explained that if Judge Mason appeared as an attorney for some particular person, the committee ought to know it. He wanted to know if the judge was there on railroad business.

Senator Dech thought it was very

plain, that in the evidence which will go before the people, it would be understood that Mr. Galey appeared for the committee for the people. He (Mr. Galey) asked a particular line of bring out particular evidence on which Judge Mason appeared to be there as an attorney to ask questions ble. The public would want to know why these questions were asked by Judge Mason if it were not in the interest of the railroads. If Judge know it that they might draw their own conclusions. Judge Mason said the present time he said three gentlemen who were examined by the committee had asked him to appear and neither of these three gentlemen had any connection with the railroads. "If." continued the learned gentleman, "we have reached the point that it is a crime to appear for a railroad in the estimation of this committee or gressive agrarianism." (Whatever that may be). After pointing out that he had

elicited more important facts against the railroads than the gentleman who sion will not close without disclosing appears for the committee and in- to the gaze of the people of the state forming them that he did occasionally try law suits and do business for the B.& M. and on one occasion even tried a suit for the U. P., he emphatically lost to a sense of propriety as to allow either my pride, my impulses, my gullability of members outside the pay. Reader, if you want business at 5th, 1883, and unless redemption from said more important matter, and then, fig. was received with tumultudes ap either my pride, my impulses, my magnetic circle of the capitol city, is which you can make great pay all the sale be made by said time a deed will be time, write for particulars to H. Hallett made to the purchaser.
