Health Notes.

Whatever we set out to do it always best to determine clearly what what you want and then want what you know. When health is our object it is well for us to have in our minds an ideal of a healthy man or

woman. Let us attempt to draw the

outlines of this ideal. Here is in a

few strokes our Apollo Belvidere. A solid, erect figure; symmetrical proportions; intelligent countenance; He advocated a beginning with lines ald expresses it, after an enforced an open, honest look; rounded (not angular) features; the expression indicating firmness without severity, and friendliness without frivolity: ruddy lips; white teeth; deep chest; ful! waist; the gait as well as the look must be manly normal and honest: the step firm, with an absence of all tripping or twisting. The grip of the hand must be firm and warm; any muscular movement must show an absence of hesitation, trembling or weakness; breathing and pulse must be slow, steady and firm. All action --physiological, muscular, mental and emotional-well balanced and regulated. And last but not least, THE

> undisputed sway. Better read that ideal once more and ponder the meaning of each "stroke."

WILL must sit supreme and ever hold

Any essential departure from this apollo indicates -- something wrong If the good Journal man will give us space, we will try to describe some of the abnormal variations from this normal picture, together with some of the causes which produce abnormities. This picture is, as it were, the shadow of what we all might be, but alas are not. The variation from the normal are indeed infinite. What a tearful degeneration of the human species do we witness around us every day. Hardly a family that is all sound. The wise will look out, first and above everything else, for sound, solid, robust health, this being fundamental to every other enjoyment or

J. E. NORTH & CO., A. S. FISHBLATT, M. D., : : :

SPECIAL ATTENTION GIVEN TO DISEASES OF

THE THROAT AND LUNGS, CATARRH KINEY

AND BLADDER, AND WELL AS ALL CHRONIC AND NEI VOUS DISEASES,.

DR. FISHBLATT

Has discovered the greatest cure in the world for weakness of the back al limbs, involuntary discharges, impotency, general debility, nervousness, langue confus-ion of ideas, palpitation of the heart, timidity, trembling, dimness of sigher giddiness, diseases of the head, throat, nose or skin, affections of the liver, lurs, stomach or bowels—those terrible disorders arising from solitary habits of yath, and

secret practices more fatal to the victims than the songs of Syrens to the nriners of Ulysses, blighting their most radiant hopes or anticipations, renderingnarriage Those that are suffering from the evil practices, which destroy their nutal and

NERVOUS DEBILITY.

the symptoms of which are a dull, distressed mind, which under them fromerforming their business and social duties, makes happy marriage impossible, istresses the action of the heart, causing flushes of heat, depression of spirits, ev forebodings, cowardice, fears, dreams, restless nights, dizziness, forgetfulness, nnatural discharges, pain in the back and hips, short breathing, melancholy, tir easily of company and have preference to be alone, feeling as tired in the mornin as when retiring, seminal weakness, lost manhood, white bone deposit in the urin nervousness, confusion of thought, trembling, watery and weak eyes, dyspepsisonstipation, paleness, pain and weakness in the limbs, etc., should consult me imediately and be restored to perfect health.

YOUNG MEN

Who have become victims of solitary vice, that dreadful and destruive habit which annually sweeps to an untimely grave thousands of young men) exalted talent and brilliant intellect who might otherwise entrance listening sestors with the thunders of their eloquence or wake to ecstacy the living lyre, m; call with MARRIAGE.

Married persons or young men contemplating marriage be awareof physical reakness, loss of procreative power, impotency, or any other disqualifiction speedly relieved. He who places himself under the care of Dr. Fishblatt mareligiously

confide in his honor as a gentleman, and confidently rely upon hi skill as a physician. ORGANAL WEAKNESS Immediately cured and full vigor restored. This distressing affliction-which reuders life a burden and marriage impossible, is the penalty paid by th victim for improper indulgence. Young people are apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now who that uderstands this subject will deny that procreation is lost sooner by those falling im improper habits than by prudent? Besides being deprived of the pleasure of ealthy off-springs, the most serious and destructive symptoms of both mind and body arise.

The system becomes deranged, the physical and mental functions weakn. Loss of

procreative powers, nervous irritability, dyspepsia, palpitation of theheart, indigestion, constitutional debility, wasting of the frame, cough, consumptia and death. A CURE WARRANTED. Persons ruined in health by unlearned pretenders who keep them tifling month

after month taking poisonous and injurious compounds, should apply nmediately.

DR. FISHBLATT Graduate of one of the most eminent colleges of the United States, has fected some of the most astonishing cures that were ever known; many troubled wh ringing in the ears and head when asleep, great nervousness, being alarmed at cetain sounds. with frequent blushing, attended sometimes with derangement of the mind were

TAKE PARTICULAR NOTICE.

Dr. F. addresses all those who have injured themselves by imprope indulgence and solitary habits which ruin both mind and body, unfitting them or business, study, society or marriage. These are some of the sad, melancholy effects produced by the esly habits of youth, viz: Weakness of the back and limbs, pains in the head and dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervus irritability, derangement of digestive functions, debility, consumption, etc.
