tion at York Jan. 18th, and on the have a farm. evening of the 17th. Reduced rates on the railroads may be obtained by applying to Mrs. M. B. Bond, Lincoln, so writes Mrs. C. B. Colby.

-According to the Times, the business men of York have organized for the purpose of buying corn, paying the highest market price, not to make money directly out of the corn, but to give tarmers a market and to hold the trade tributary to the town.

-D. L. Bruen and John Freeman, delegates from Platte county, started vesterday for the anti-monopoly convention at Kearney. Both of them are capable of laving down the political gospel from their point of view, and of commanding attention.

-Echols & Turner have removed their place of business to Olive street, and can be found at the rooms lately occupied by Lubker, Krause & Co., as ware rooms. Their work as painters and paper hangers is first-class in every respect. Give them a call. 2

-- Mr. Geo. W. Stocking, a Saunders county sheep raiser, was in the city one day last week and called at the Journal office. He was en route to Fullerton, Nance county, with a view to engaging in business in that town. and possibly investing in a tract of land in the vicinity.

-F. Meyer and A. Alles, who have been residents of Nebraska for three or four years, started yesterday for Alabama, which they expect to make their future home. There is a colony of Germans located in Northern Alabama, with which these gentlemen expect to east their lot.

-The official who does not intend to enforce laws that may be obnoxious to his own feelings, can nearly always plead the apathy of public opinion, which, however, ought not entirely soothe the conscience of him who has taken a solemn oath to execute the laws pertaining to his office.

points in the state. Nebraska had her bitter experience of this disease papers and magazines you want for years ago, and if, as many suppose, it nous feed of corn, it will be well to of such shameful conduct, so they can she has to make her known to the get rates. vary the feed a little. guard against them."

-An old subscriber, remitting money for more than a year in advance, writes: "We still like the JOURNAL: wife grumbled a little when Judge A. C. laid down the scissors and gave up manipulating the outsides, still I notice that out of fourteen papers that property from the stock company out the Journal."

-The infant child of Brother Hens-- The commissioners of Boone ley of the Democrat was very seriouscounty have made the Cedar Rapids ly ill last week. So critical was the ignoring the two papers published at day evening that the attending physician could not give the anxious parents any encouragement to hope their child would live. At this writing,

A FABLE.-Once upon a time preacher, in a very lengthy sermon, undertook to demonstrate the general proposition that man is mortal. He labored assiduously, and at the end of the discourse there was not an intelligent man in the congregation who would have disputed the truth of the proposition,-any more than he would have done before.

-A liquor dealer at O'Neill has sought the protection of law against several men who shot through his windows, lamps, etc., by having them arrested for drunkenness. Every class of citizens needs the protection the law gives against those who invade the legal rights of others, and hence all right-minded people should be in favor of enforcing the laws of the land.

-Wm. J. Wynand, of Walker precinct, was in the city Saturday, and for the B. & M. He has tickets to all by a little incidental conversation he points, and asks you to come and disclosed to us the fact that he is working into the tame grasses, having -The Women's Christian Temper- succeeded in getting a fine stand of ance Union of Fremont have a read- 10 acres of timothy, from which he both good institutions that every tends soon to put in another lot. He intelligent, self-respecting community cultivated his first lot on wheat stubble and had good success.

-Last Saturday, as an east-bound U. P. freight pulled out from the depot, a gentleman who had a carload of fat cattle billed for through shipment without delay, side-tracked and waiting at this point, might have been heard in no very measured terms expressing his disapproval of the conductor who for some reason

Since the latter gentlemen assumed control of the Sun they have made it a paper second to none in the state as a county newspaper, and as we understand Mr. McMurphy is an experienced newspaper man, we predict for the readers an entertainment with an establishof the Sun a first-class paper in the future, as it has been in the past .--

Schuyler Herald. -The Columbus correspondent of the Norfolk Journal, whoever he may be, has, we are told, been saving some unpretty" things concerning our board of supervisors. The board, so far, seem to be getting in some very good work, and this Journal rather surmises that if they keep looking after affairs right along as sharply as they have started out (and they are the kind of men to do so) the tax payers of old Platte will have no

reason to grumble. -It is understood that the B. & M. road will not get into Grand Island without a contest with the U.P. There will probably be a brief contest after it gets in, and then business will become monotonous and uninteresting again to the general public. Numerous roads don't always make competition in prices, and unless a town so large as not to take much account of an additional railroad or two, it would seem that for all ordinary purposes one road is sufficient.

-Mayor Whitcomb of Seward enforces the law in regard to liquor dealers, and instructs his subordinates as to their duty in suppressing all infamous practices. The Seward mayor has, therefore, no bawdy-houses in his inriediction. Recently a strumpet visited the place, was arrested (with her male companions) and the Blade. -Owners of bogs will do well to after giving all names and particulars, look to their feed and care now. says: "We believe it is right to pub-Hog cholers is reported in various lish the names of anybody who will get down low enough to be caught in such company under such circumstances. -Under date of Jan. 4th, Joseph Gardner writes us from Walker, Is., that he was snowed in at that place,

-An interesting law question lately came up at Hastinge. Notes were secured by chattel mortgage. Under the "insecure" clause common in such instruments, the mortgagee took possession and sold the goods before the notes became due, and now brings suit for a balance yet due. The Journal remarks that the present practice of foreclosing chattel mortgages is rather arbitrary, and suggests that the proper method would be something like the foreclosure of real estate mortgages.

-A special meeting of the school board was appointed for Monday evening at Speice & North's office; a meeting of the Cemetery Association superseded them. The latter held their annual meeting, electing their officers for the next year-same as last. The treasurer reported a balance on hands of \$507.94. The fencing of the cemetery grounds was left pleased the audience with some very to the executive committee, Messrs. Ernst and North. There seems to be a difference of opinion as to whether house wild, and has established his the fence should be of iron or wood. reputation as a first-class comedian.

-We believe there is an exhibition to be given in Columbus this evening, the nature and character of which a good thing. Lanagan and Miss does not commend it very strongly to a respectable, intelligent community. Some sluggers from Omaha will exhibit their skill in the "knocking-out" science. Physical power, when rightly directed, is a great blessing, the value of which cannot be overestimated, and causes deserved admiration for its possessor, but when prostituted to exhibitions that appeal only to the brutal feelings, it is con-
