A HISTORY OF MY LIFE. I was born on the 21st day of March in the year 1871. I was named Jo-

In our school 11 of our scholars are natives of Nebraska, 3 are natives of Nova Scotia, 3 are natives of Iowa, 3 of Wisconsin, 1 of Michigan, 2 scholars and the teacher from Pennsylvania, 2 of Germany, 2 of Switzerland, 2 of Illinois, 1 of Maryland, 1 of Connecticut, 2 of Ohio.

I began attending school in the town of Liestal. I am now thirteen years of age. This is the first time that I have tried to write a history of my life. My troubles have been many, the work has been hard, the roads icy, the lessons difficult, and the teachers have been unreasonably cross. This is a specimen of my writing.

Life or Death.

My friend, DO YOU LOVE THE LORD JESUS CHRIST? If you do not, your life thus far has been a failure. You have no true peace of mind. You are living on the animal plane. Yet, we were created to be gods. The fact that people love not the Lord Jesus Christ is the root of all misery. Jesus Christ created you and the

Press your hand to your heart and feel it beat-ceaselessly, day and night; that impulse comes from him. All this he has made, all this he has given, with one single aim and purpose-namely that you should learn to look to him and love him. What is, after all, the done in school?
