JOHN C. MACKIN and William Gallagher, who were found guilty in the eighteenth ward election case in Chicago, were sentenced the other day by Judge Blodgett, to two years each imprisonment in Joliet and also to pay a fine of \$5,000 each.

In the Hazen court-martial case the counsel for the defense caused a seneation in court by the statement that the articles given to the public assailing Gen. Hazen for writing the letter to the secretary of war in the Greeley expedition will be traced to that official and to his own hand and deek.

Some of our citizens believe that the commission law with reference to railroads will result favorably to the interests of the state; that, in fact, it will work well for Nebraska. In this opinion we are not able to share. It seems to us a device in the interests of the railroads, from first to last, and virtually a ples for longer time.

IT appears to one not engaged in the business of shipping grains, but judging alone from the distance and quoted prices, that Denver is a much better market for our farmers to send their grain than to Chicago, Corn in stated that each visitor was furnished bulk was quoted last week in Denver. at 75c; sacked, 82c; chopped 87c. Oats, white bulk \$1.00; white sacked, \$1.08; mixed bulk, 95c; mixed sacked, \$1.03. At the same time, in Chicago, corn was quoted at 38%c, and cale at 28%c.

WHENEVER you find a man or a acknowledge the service which Van Wyck is doing the country, and are not slow to recognize his worth. Even the Chicago Times, an independent paper with democratic proclivities, having nothing in common with our senior Senator, has this

"On behalf of the nation, on behalf of honest and worthy men in a political society of sixty millions the Times thanks first the Senator from Nebraska, (Mr. Van Wyck) and secondly the who have in good faith, and without any mental reservation, pronounced the national veto on the most bold and niquitous attempt at land piracy that as scandalized this country.'

The Herald's Circulation.

Readers of THE HERALD will bea out its management in the assertion that its affairs have seldom been in tom house at New York, owing to truded upon its columns. It has proeeded in its appointed work modestly and quietly. Boasting has been no part of its methods. It has made its own way decently and in order, and from having been a venture has become an establishment. That the O'CONNOR expects to get an exten- publication, though the youngest of sion of the branch road from here the morning dailies, has steadily grown in popular favor THE HERALD itself has the best of reasons for knowing. It now makes and is prepared to maintain the claim that it has the largest morning circulation in Chicago. If this statement should be disputed THE HERALD, confident from its own careful examination of the situation, will demonstrate its accuracy to any comer who has an obvione interest in ascertaining the facts. It will exhibit its circulation with any contemporary caring to make the rier, street for street, suburb for suburb will gladly be shown. In such a comparison the character as well as

the number of circulation will be seen. Except in very severe weather, which affects all newspaper sales, THE HERALD is making a daily increase in ts output and has good reason to believe the day is near at hand when it will outnumber its contemporaries in this city two to one.-Chicago Her-

Once in a while we see it stated or hear some officer say that his duty begins when some citizen lays in a complaint of violation of the law. This has always seemed a very PRESIDENT CLEVELAND has sent a strange doctrine for an official to message to the senate withdrawing promulgate with reference to the commission of crime or misdemeanors, but we believe it is only made (not through ignorance on the part of the officials) but by way of slim excuse for not doing what may be a disagreeable duty. The Madison Chronicle, referring to this subject, says that some time ago it took the position "that an official should take an oath to enforce the laws, and THE special grand jury at Lincoln failing to do his duty should be sent returned an indictment Saturday up' for perjury," and notices that committee on private land claims, and other day and held to bail in \$3,000 against detective Pound, charging Judge Monroe of Des Moines has Senator Gorham will take Ransom's each on the charge of bribery in conhim with the murder of James Griffin, taken a similar position with re- old place as chairman of the commit- nection with the capitol removal scalps still offered. Where are the who was killed in attempting to rob ference to the enforcement of the tee on Potomac river front, while from Bismarck to Pierre. DENVER, COLO, MARCH 10th '85. Dear Sir:-Regarding your hint on the Township law, as it works in St. Bernard Township, I will state that as you were County Commissioner for one term, and became pretty well familiar with the law regulating county government, you are probably in a position to make some good suggestion with reference to the existing laws on this all important topic, and therefore suggest that you let your light shine.

National Bank of Oneonts, and has

I agree that any system of govern nent, local or otherwise, which makes taxes so high as to render property, particularly real estate, a purdensome possession, is not a wise government intends to build fifty one, and should be abolished. The stern wheel steamboats for use on reason I have advocated the township plan is because I regarded it the best school, yet devised for masses, on the principles of republican government, in order that the people might familiarize themselves with the laws and transact their business concerning their local affairs. near their own homes.

The boys of Rome were required to learn the laws of the Twelve Tables, and we are told that "men are only boys grown tall." If we admit that rulers are the servants of the people, how are the latter to know that the former perform their trust, unless they are familiar with their duties? The great question for Platte county to solve just now, is how to reduce taxation, so as to give her people a "fighting chance." Let the writer give you a few "pointers." let. Reduce your expenses in every possible way. 2d. Collect your taxes without discrimination. 3d. Encourage good citizens to locate among you, who are willing, with their labor or capital, or both, to assist in lightening

your burdens. Now John, "honor bright," don't you think that even the present set the people to investigating in a way which they never did before its adoption? You are too intelligent sented to a Kansas City Masonic to charge township organization, even Lodge the Masonic apron worn by in St. Bernard, with the county's old debts, and school taxes. What is there so peculiar about St. Bernard that is different from the rest of the Notice To Mon-Resident Defendant. county? Give us light and let us a if there can some "good thing come out of Nazareth."

Yours very truly. BYRON MILLETT.
