—The school board held a special meeting Thursday evening last and wisely decided upon an action which cannot fail to meet the glad approval of all. The grounds of every school house in the city are to be planted to trees, seed to grass and generally improved and beautified.

—The debate at the Grand Prairie Literary and Alliance meeting recently on the question of prohibiting by law the use of liquor and tobacco must have created considerable interest, judging by what we hear. Judge Freeman presented a fearful array of figures showing the terrible expense of liquor and tobacco, while Bruen relied upon the bible in pleading for the use of wine.
