Norroway county, Virginia, is last returning to its primitive condition. A visitor says that within twenty years it will be a wilderness. It was here that the first settlers found a habitation, and where the famous incident of Captain Smith and Poca-

hontas took place. GOLDSMITH MAID, at the height of her glory, for a joke was taken from raging in Kearney to an alarming her quarters through a back street, led to a public place and put up at auction, the spectators bidding in good faith until the price was run up to \$34, when some one connected with the stable bid \$35, at which the hammer fell and she was led away.

Cancers Conquered.

The Swift Specific Company have the most indubitable evidence as to the cure of cancer by their famous medicine, S. S. S. Among others, John S. Morrow, an old and highly esteemed citizen of Florence, Ala. makes the following statement as to the merits of this remedy :

"I have been suffering with a cancer in my right ear, for about three years. I tried various remedies and was treated with Iodide of Potash, which produced rheumatism. My feet and legs were greatly swollen, so that I could not walk. About one year ago I was induced to try Swift's Specific, which soon removed the trouble in my limbe, and my rheumatism is now entirely gone and my cancer is steadily improving, being better now than at any time within two years. This medicine has done me more good than anything else I have taken, and I feel that I am on the road to a speedy cure. Undoubtedly Swift's Specific is the best blood purifier in the world."

JOHN S. MORROW. Florence, Ala., Sept. 22, '84.

I have had a cancer on my face for many years. I have tried a great many remedies, but without relief. I almost gave up hope of ever being cured. Dr. Hardman, my son, recommended Swift's Specific, which I have taken with great results. My face is almost well, and it is impossible for me to express my thanks in words for what this medicine has MRS. OLIVE HARDMAN.
