Goosley, with color of youth to hair that has become orders to either capture or kill the outthin and faded; and, where the glands are not decayed or absorbed, will cause a new growth on bald heads.

MAY the youthful color and vigor of the hair be preserved to old age? Read the following, from Mrs. G. Norton, Somerville, Mass.: "I have used Ayer's Hair Vigor for the past 30 years; and, although I am upwards of 60, my hair is as abundant and glossy to-day as when I was 25."

BE assured, that a trial of Ayer's Hair Vigor will convince you of its powers. Mrs. M. E. Goff, Leadville, Col., writes: "Two years ago, my hair having almost entirely fallen out, I commenced the use of Ayer's Hair Vigor. To-day my hair is 29 inches long, fine, strong, and healthy."

RENEWED and strengthened by the use of Ayer's Hair Vigor, the hair regains its youthful color and vitality. Rev. H. P. Williamson, Davidson College, Mecklenburg Co., N. C., writes: "I have used Ayer's Hair Vigor for the last ten years. It is an excellent preservative."

BY the use of Ayer's Hair Vigor, Geo. A. Dadman, Waterloo, Mo., had his hair restored to its original healthy condition. He was nearly bald, and very gray. He writes: "Only four bottles of the Vigor were required to restore my hair to its youthful color and quantity."
