Our County Ticket. EMIL POHL,

The unanimous choice of the convention for the very important and responsible position of treasurer, is a man every way worthy of the place. He was born in Silesia, Prossia, in 1843. His education consisted in preparation in a normal school for the profession of teacher, and he is therefore well qualified to handle the accounts and affairs of the treasury. There will be nothing in the office that he cannot understand and do; no minutize that he cannot fully look after. After gaining his education, Mr. Pohl served seven years in the Prussian army, being with it in the war between Prussia and Austria.

In the fall of '67, at the age of 24 Mr. Pohl removed to the United States, locating in Calumet county Wisconsin, where he passed two years in farming and then conducting | tion, he will follow after. a store.

In the fall of '74, he removed to Gerhard Schutte, where many of our readers became acquainted with him. He has since been engaged in busi- he shot at. ness here, and in all his relations has shown himself worthy the entire confidence of his fellow-citizens. He will account, according to law, for every cont that comes into his hands, and will make Platte county an economical, careful official.

MARTIN J. HOGAN,

The candidate for County Clerk, was born in Tipperary county, Ireland, Jan. 25, 1862. In '69, his family removed to America, locating in Shell Creek twp., this county, where they have since resided. Mr. Hogan received his education in the public school of his neighborhood, and at the High School in Omaha. He is a young men of much more than ordinary ability, having taught school with good success the past three years. He is an excellent penman and accoutant, and thoroughly competent to transact that part of the business of the county which falls to the lot of the Clerk, and would do so in strict accordance with law.

R. H. LAWRENCE. Candidate for surveyor, is a Can Young. His education has been mostly at the High School in this city, under the immediate supervision and Annie Jones. of Prof. Cramer, an accomplished civil engineer, who has given Mr. Lawrence practical lessons in surveying. J. J. Maughan, the present ago appointed Mr. L. to the position he now holds, deputy county surveyor. Besides his experience as surveyor for the county, he has been in the employ of the general governlively interest in his profession, being

DAN. CONDON.

The candidate for Sheriff was born in County Cork, Ireland, in 1838. In '47, his family removed to Montreal. Canada, where, just after landing, his parents both died, ever since which time (when young Dan was nine years old), he has made his own way in the world. This has developed in him a reliance upon his own industry and perseverance. Dan. is honest, capable, generous-hearted.

As Sheriff be would exercise the functions of his office strictly according to law, but would, as much as possible "temper justice with mercy."

WM. M. CORNELIUS. The nominee for County Judge, is so well known to the great body of our readers that it seems hardly worth while to give even a brief sketch of him. Born in Butler Co., Penn., Dec. good public schools, such an education as fits every bright youth for the battle of life in these times of strife. Studying law with Hon. T. C. Campbell, he was admitted to practice in 1879, in which year he came to Nebraska, locating in this city, where he pany to be separate from the regular has been engaged ever since in the practice of his profession.

There is no question of his entire fitness for the office, and of his con-
