particular, and so guaranteed. THE LOVE BUTTON HOLE AND

SEWING MACHINE. The only practical Button Hole Machine for family use, being easily changed versa, without the use of attachments or complicated machinery. It will make two seams at once, either zig-zag or straight, being adapted to use either one or two needles, and the zig-zag stitch being produced by the same device used in maxing the button-hole stitch. There is nothing of a speculative or ex

The Love is the equal of any other firstlass machine, and in addition works first-class button hole, and runs, when desired, two seams. The machine is guaranteed in every respect. Leave

perimental nature in any of its mechani

cal details. It is extremely simple, easy

work within the range of tamily sewing

of operation, adapted to any kind of
