A SORE CATASTROPHE.

With many a high-down... The 7th day... He thought would never stop.

A TOTAL ECLIPSE.

Its World Effects Heightened by a Smart Clerk.

A total eclipse of the sun is one of the most interesting natural occurrences that human eyes have ever beheld.

On August 7, 1869, a total eclipse of the sun occurred visible in parts of Iowa, Illinois, Kentucky and North Carolina.

At this point, which was just outside the line, a mere dot, or speck, of the sun remained visible.

So it is probable that the stories of rich gold bearings have a good basis of fact.

Like all Eldorados, Honduras has its drawbacks. The inhabitants number about four hundred thousand of whom only five thousand are white.

General Brogan is the present President of the Honduran Republic, and he is credited with much skill as a politician and a financier.

On the west side of the street, and near the middle of the block, was a moderate-sized two-story building.

While others were attentive studying the eclipse, Jack was preparing for his part of the programme.

—The French have looked with alarm upon the steady export of Percheron horses to the United States.

—A servant girl at Buffalo has been arrested for attempting to burn her master's house because she was not allowed to go to a party with the family.

—Mrs. Homespun is delighted with her son's proficiency upon the piano-forte.

BULGARIA.

A Foreigner's Impressions of Its Capital and People.

At the Hotel Concordia, in Sofia, in lieu of plates, the meat is served on round, flat blocks of wood.

The House bath-rooms are in the basement of the Capitol, in the south-east corner of the city.

While wandering about the bazaar, after supper, I observed that the streets were paved with cobblestones.

NATIONAL CORN-FIELD.

The Official Chiropractor Who Has Charge of Congressional Corns.

The gas is always burning dimly in the bath-rooms of the House, and Robert's eyes are almost gone.

TICKET BROKERS.

Something About the Way in Which the Ticket Brokers of Kansas City.

Upon the door of a room in the McKnight building, Louisville, Ky., there is the following inscription: "The American Ticket Brokers' Association."

This is the headquarters of an organization with a membership of one hundred and fifty, operating in ninety-three of the principal cities and railroad centers of the United States.

The brokers claim to occupy the position of middlemen between the railroads and the public.

WIT AND WISDOM.

Smiles are not only the most becoming of all ornaments, but also the least expensive.

"All you can carry into the life hereafter will be what you have given, not what you have saved.—Rudolf Steiner."

"Give an example of syllogism." Local freshman—All men are more or less alike. I am a man, therefore, I am more or less alike.—Chicago Mail.

"In my opinion," says a citizen, "if the Government would stop running up those darned old-war flags, we'd soon have some respectable winners."—X. Y. Mail.

"A little little girl of our acquaintance asked us the following conundrum: 'How many letters are there in a postman's bag?'"

"The most concisest are generally the least judicious; who, having nothing to recommend themselves, will be finding fault with others."

"Even editors are sometimes unreasonable. The editor of a Georgia paper said in a recent issue of his paper: 'What a nuisance is the music making rotten eggs doesn't come in and make them good we will teach them what the penalty is for cheating and swindling.'"

"Arizona's public school has been closed for lack of funds.—Chicago Mail.

"Philadelphia has twenty-eight free kindergartens, maintained at a public expense of \$10,896.

"The Interior says that a Christian outfit to be honest first, and then pious if he can; but the usual practice among many is to be pious anyhow and honest whenever it comes handy.

"The total cost of the Garden City Cathedral, L. I., as estimated by the architect, is nearly \$1,700,000. The sum does not include the organ, bells, stained glass furniture, etc.—X. Y. Mail.

"Dr. Talmage's Brooklyn Tabernacle pews were sold the other evening, and brought premiums amounting to \$2,000. The pew rental for the year amounts to \$17,240, and the total receipts of the church will reach \$30,000.

"At a Yale dinner Rev. Dr. Clapp told a story of a student who asked his father's consent to an engineering education. The father consented at once, saying he himself had courted the same girl when he was a student at the college.

"The loggers from the Grandditch estate to the Episcopal Church, \$100,000 each for domestic and foreign missions, are to be appropriated for special work, as is the rule of this society with legacies.—X. Y. Mail.

INDIGESTION.

To strengthen the stomach, create an appetite, and remove the horrible depression and despondency which result from indigestion, there is nothing so effective as Ayer's Pills.
