California.

SAN FRANCISCO, Aug. 25, 1886. PEAR JOURNAL :- In my second communication, I will give a few rambling, disconnecting thoughts, about scenes and incidents in California One of the first things that strikes an easterner, is to see a city of 350,000 inhabitants, with scarcely a stone or A western Nebraska lady has made | brick house in it. The explanation is | titled to representation as follows:

very simple. Of course a frame house, thoroughly joined, braced, and bound gentle carthquake, such as would throw down a stone or brick house. There are many fine buildings in the city, however, and it presents quite & Humphrey business like appearance. It is a great surprise to eastern people Granville when they go to the fruit stands to buy some truit, in the land that abounds in all kinds of truits, to be informed that the price is about as high as in Denver or Chicago. The cause of this is the fruit growers association. Under the compact, the fruit stand dealers are required to bold up the prices, regardless of the fact that they may have perishable goods on The educational displays, made hand. Soon as the fruit passes bethis year for the first time, will at- youd a first class condition, it is gathered up by the association, and thrown into the ocean, and paid for the Pine Ridge agency is to be on the | out of the funds of the association. grounds--a novel sight for some | Under this combination, they are months by physicians. I thought I able to maintain the high prices. Should your readers go to California let them pass by the fruit stands, and seek the groceries and buy a quantity of fruit, when they will find that they similar case suggested S. S. S. 1 gain a great advantage in prices.

Of course every one visiting San Francisco will visit "China Town." This is no inconsiderable part of San Francisco, as the Chinese occupy of taking the mercury and potash from fifteen to twenty blocks, almost | mixtures. That is also yielding to solid, close to the center of the city. They carry on all kinds of business. both reputable and disreputable, by would say, give it a fair trial, and you legitimate and illigitimate methods; will not be disappointed in results. there are honorable men and those so dishonorable as to scarcely deserve the name of a buman being, "Guides" are everywhere in hand, for as large a compensation as they can possibly secure, to escort you to the Chinese Theater, the opium denc, the lowest street. dens of intamy, and every where you may desire to go. It is quite interesting to visit the Chinese Theater, but instead of spending the whole evening, to secure the worth of your money, in five to fifteen minutes, sooner than to remain longer, you would be glad to pay semething to let vonr investment go, to escape from the theater. They have two large theaters. On your entrance with the greatest possible baste, to make your way up the side aisle and get upon the stage, beside the performers, and not remain in the body of the theater, crowded with Chinese. The men occupy the body of the theater, while the females occupy the galleries. Sitting as you are close to the performers, dressed in the most gaudy silk and satins and gilded trimmings, you might be able to rest comfortably were it not for the hideous false faces, and head decorations worn, making all the performers represent the most horrid characters possible, so you are led to almost fear that you are in the presence of the imps of his Satanic majesty. The plays seem to be of Sedgwick, the special American the most tragic character, stabbing, envoy to Mexico in the Cutting case. shooting, blood, death, etc., etc., be-At the American legation, nothing is | ing the most favorite. All these being accompanied by the Chinese Band, making music, which in its ear-piercing character, would

There E. P. ROGGEN, you are permitted to examine the Secretary of State. rich wardrobes, smell the fumes of opium, and if you have courage enough to go down the long dark stairway to the under ground room. you will see the opium smoking in all its demoralizing influences. Your stay will be short, and hastening back through the dressing room, across the stage, without regard to what is the state of the performance,

grets one visit to see what is to be seen, but one is sufficient. Your readers may imagine that SanFrancisco is built on a level plain, extending back from the ocean. so, they are badly mistaken. It is not even like Rome, built on her seven hills, but far more than that number. Some of these are so steep, that we observed wagons traveling them, would zig-zag from one side of the street to the other. In a few in stances they must be at an angle of 331/3 degrees at least. The cable street railway runs to almost every part of the city. It does not seem to have any more trouble to climb these steep streets, than while running on the level. Most certainly every inhabitant of San Francisco, has cause to daily offer bleisings upon the in and report upon the location of a public ventor of the cable railroad, as road commencing at the S. E. corner o horse car would be of little service on most of the streets.
