Record says that J. W. Early and family of this place will soon remove to that point. This is news to many of John's friends in these parts.

- Capt. Hammond arrived home from Lincoln Monday night. As the Capt. is an old friend of Gen. A Mad Accident. John H. Smith, better known in this vicinity as Johnny Brady, son of the widow Brady, who lives three miles, northwest of this city, met with a frightful accident between 7 and 8 o'clock Friday evening last while on duty as yard master for the U. P. Co. at this place. He made a mis-step in jumping from the switch engine, had his left foot caught under the pilot and before the engine could be stopped one or more wheels had passed over the foot. Immediately following the occurrence he was removed to St. Mary's hospital, and next morning upon examination, the limb was found to be so badly mangled that an amputation was deemed necessary, which operation was performed by Drs. Martyn and Evans. Under the kind treatment of the Sisters, he is now doing as well as could be expected under the circumstances. Johnny has been in the employ of the Union Pacific Co. for many years and is well thought of by all who know him.

John Herring was manipulating the engine at the time of the accident, but no blame is attached to him as he is considered an unusually careful man. - Just as the JOURNAL forms were going to the press last evening we received the sad news that John Brady had died at 6 o'clock Tuesday evening. It seems that he received internal injuries which doubtless caused his death.

The Testing of Our Water-works. In the presence of the Mayor, the City Council, the Fire Department and citizens generally, and under the supervision of Engineer J. E. House, of Omaha, our waterworks were partially tested on last Friday and proved to be entirely satisfactory. But in order to ascertain if the pumps will do their work and furnish a million gallons of water a day, whether the boiler is economical, and the water supply ample, and the pipes properly laid, a thorough test by an expert lasting at least 24 hours with indicators, meters and other scientific instruments, must be made. Such a test would cost from \$150 to \$200, but we believe, for the satisfaction and vindication of all, it would be money well invested to make it.

Mr. Charles Schroeder, the contractor, has been rather slow in fulfilling his contract, but for that is not altogether accountable, and we are glad from that we believe he has faithfully carried out all his agreements and has given us a first-class system of waterworks. - The city schools will close for the Christmas vacation on Thursday of this week. Examinations for the term will begin on Wednesday. The work throughout is in fine shape. The board, teachers and parents are to be congratulated on the progress being made. There will be public exercises in all the rooms on Thursday afternoon. The public are cordially invited to attend these, as well as the examinations. It is human nature to seek approval for work done no matter what it is; let parents think of this and encourage their children by giving a few hours to school visitation. School will begin again on Monday, Jan. 3d, 1887.

G. R. Nunnally ("Antelope Dick") the peregrinating printer, lecturer and physician, will seem from the following, taken from a recent copy of the St. Joseph, (Mo.) News, is still among the living and very active. "Dr. G. R. Nunnally, the reformed gambler and drunkard, will lecture at Mendelsohn Hall tomorrow evening. It will be a treat to hear him. He is well known to most of our people, and his lecture will be received with a great deal of interest by all his old friends. Admission, 25 cents to any part of the house." - Mrs. Lydia C. wife of Joseph Crites, died Sunday, Dec. 12th, at Plattsmouth, of consumption, aged 67 years, 11 months and 11 days. She will be remembered by most of the readers of the JOURNAL of this city, where for a number of years the family resided. She was the mother of Hon. A. W. Crites, of Washington, D. C. and Mrs. B. S. Ramsey of Plattsmouth. She was a Christian woman and much respected by all who knew her.

Lincoln came down with an offer of cash and other property to the amount of \$293,500 and secured the Methodist University location by a vote of 14 to 6 of the locating committee. At this writing it is not known precisely where the buildings will be located, but it is understood that the contract specifies that it shall be within a radius of three miles and a half of the postoffice. - The appointment of our townman Mr. B. F. Cowdery as assistant secretary of state is a good one and one that affords us great pleasure. "Ben" should never have accepted a position on as useless a thing as the railroad commission and he acts wisely in stepping down and out. What we regret most is that he and his worthy family will move to Lincoln and we will lose him.

Mr. H. Kretschmar carelessly threw his Sunday pants containing a \$20 gold piece into a corner of his room and left them there. A thief carefully removed the pants, took charge of the gold coin and left a letter of thanks in the pockets of the pants, as a token of remembrance. Mr. K. has the pants as they didn't fit the thief. - Patents granted to citizens of Nebraska during the past week, and reported expressly for the JOURNAL by C. A. Snow & Co., patent lawyers, Washington, D. C.: S. J. Hall, Stella rein muf; E. S. Durfee, Lincoln, rail scraper and snow plow; T. E. Calvert, Lincoln, railway switch stand and connection.

Duncan. Today (December 22d) is the shortest in the year. When the days are growing longer the winter is growing stronger. Corn is all cribbed now in this neighborhood and prices better than last year at this time. Business is very brisk now at this place, owing to the Loup bridge being out at Columbus. A hay market has opened up now at this place, offering fair prices. A press will be operated in the near future. The president's message was read and considered. It is just as good as a milk soup; whoever will partake can do so, and who won't may let it alone. 8.

DIED. Sampson—Dec. 15th, at her residence in Denver, Colorado, Kate I., wife of A. J. Sampson, aged 41 years. The deceased was a daughter of A. C. Turner, of this city, and well known to many of the Ohio, Iowa, Nebraska and Colorado readers of the JOURNAL. She leaves her husband, two daughters and one son to mourn the loss of a fond wife and mother. We quote from the Denver Tribune-Republican of Dec. 18th: "SAD AND IMPRESSIVE SERVICES HELD YESTERDAY—A LARGE ATTENDANCE. The funeral services of Mrs. A. J. Sampson were conducted yesterday as follows: Her remains were interred in brief discourse by Dr. D. H. Moore, reading of Mrs. Sampson's favorite hymn No. 62, "I've a never-fading glory," by Dr. H. A. Buchtel, prayer by Dr. G. B. Hyde, benediction by the Rev. Dr. G. De La Motte. The pall bearers were Judge S. H. Elbert, Judge I. E. Barum, Hon. Frank A. Hume, Hon. M. N. Morgan, Captain S. D. Barnes and Dr. J. C. Shattuck. The house was crowded with friends and neighbors, many of whom paid their last tribute of respect to the dead, and evince their tender sympathy for the bereaved family. The service being over, the casket was placed in the hearse, and the Rev. Dr. Moore, who was tender and appropriate in an unusual degree, and while strongly eulogistic, all felt, with the Rev. Dr. Moore, that no words could overstate the regard in which Mrs. Sampson was held in this community. Since her death telegrams and letters from various parts of this state and elsewhere have been received by the bereaved family, of such tenor as to show that not only in Denver, but wherever she has been known in previous years, and of no one was it ever more truly said: "None knew thee but to love thee, Nor named thee but to praise." Though always devoted to the family and the home, of which she was the center, yet prior to the time when the disease which has now proved fatal, laid its restraining hand upon her (five years since) she was active in church and social life. Her ready and graceful person, her genial manners, her well-ordered mind and her charming voice, while she never forgot her domestic duties, all these qualities made her welcome in any circle of cultivated Christian people. No word of bitterness ever marked her conversation. In all her years of suffering her sunny temper and her Christian faith were never dimmed. She talked little of her infirmities, even to friends, hiding them instead, by such constant cheerfulness and such thoughtfulness for others that few realized with what heroic fortitude she looked daily into the face of death. It is to be regretted that those who were nearest her, memory will be a life long benediction. JENKINS—At his home in Kalamazoo precinct, Madison county, Neb., Tuesday, Dec. 14, 1886, at 8 p. m., Levi Jenkins, aged 69 years, 5 months and 8 days. Mr. Jenkins was born at Canadago, New York, in 1817. In 1841 he married Miss Julia Gilpin. Mrs. Jenkins and two sons, Charles and Edward, remain to mourn the loss of their husband and father. For some years the deceased resided in Michigan. In 1866 he came west to Iowa, where he remained for a few years, then he came to Nebraska, where he has since made his home in Kalamazoo precinct, Madison county. In 1863 he joined the 13th Michigan Infantry, remaining with his regiment till the close of the war, when but four hun-
