-- Our readers should not forget that on next Monday evening Miss Belle Parsons, who has had such marked success this winter as a teacher of elocution, will give an entertainment, literary and musical, that promises to be a rare treat. She will be assisted by her pupils and others, and there is no doubt but the evening will be one of rare pleasure to all who attend. See the program elsewhere in todays's Journal.

-Howard Hoffman, a brakeman on the Fullerton branch, while switching at the latter place last Wednesday, met with a fearful accident. He had made the coupling, of the care and of the air brake, and was walking along with the moving train between the cars when his pants caught -W. Y. Bissell returned the latter on his back across the track, a wheel passing over his hip and cutting into the bowels, also crushing an arm. He died in a short time.

> -The organization known as the Columbus Cornet Band, which has enjoyed a remarkably lengthy, pleasant and successful lease of life, (having been organized in 1873), at their business meeting Monday evening resolved to disband; two trustees were appointed to collect all band property and dispose of the same to the best possible advantage, settle with each indivdual member his apportioned share and close the books. The band had a fund of about \$60 in the treasury at the time of dissolution. This leaves the city without that very important factor-a brass band. The Journal hopes that a and have as long and pleasant a life

townships there was only one vote were after the ordinary fashion of for the recent bridge appropriation. which led some of the left-handed triends of Bro. Robison to deride the extent of the influence of the Indedersto od fully the sentiment of this have done business with us. We of it. I will keep it continually at very best stock that can be procured fore we wrote a line, and had we out have made in the county, and any your orders. Also keep Schroeder of purely local and selfish interests notice you may get of expiration of Bros. "Way-Up" patent flour and the sible a county throwing such burdens you to pay no attention to any noon a single township one iota more tices you may receive from any of just and reasonable. We advocated what we believed to be just and right and not what we knew to be popular, and are free to say that, notwithstanding the opposing vote, we still think that it would have been the best thing for the people of the north part of the county to have accented the proposition as voted upon, and that future events will sustain our

-Fromethe State Superintendent's report just published we glean the following data in regard to Platte county: State school fund, \$7,803 97, district school fund, \$6,541 87, money in hands of county treasurer \$13,445 -

bonded indebtedness \$18,218, total indebtedness of district \$18.751 .-45. In 1885 we had 72 districts, 44 male teachers 61 female teachers, 3 graded echools, in 1886 we had 75 teachers, a falling off of 30 from the previous year. 90 teachers attended the Teachers' Institute. The Institute cost \$150. Columbus, according to the same authority, has 1,018 children in the city, 155 in the primary department, 150 intermediate, 107 grammar and 60 in the High School. Total in the school 478, -Rev. Z. S. Rhone, a minister of with an average of 320. Salary of the Methodist church, well known principal \$900, salary of male teachto a goodly number of our readers, ers \$60, female teachers \$45 to \$60. died of consumption, at Central City, Platte county has 4,931 children be-Feb. 4th. His remains were laid to | tween the ages of 5 and 21 years. Prof. Cramer in his report to the State Supt. says: "The German language has been introduced into the High School, under the charge of a competent teacher of German birth and education. The High School has enjoyed an unusual degree of prosperity, and awakened an interest for higher education among our people. Our course of study covers a period of 8 years in the common branches, and 4 in the Hhgh School. It seems to meet the wants of the average pupil, and giving good results. Our schools are thoroughly organized, have an able corps o leachers, supported by an intelligent active Board thoroughly alive to the ends and purposes for which schools

Entertainment.
