Washington Letter.

(From our regular correspondent.) Money for national defense, money for a new Navy, the trade dollar question, the Eads' ship railway, the backward appropriation bills, the broken by a runaway team educational bill, and the anti-polyga-October, has nearly recovered, and my bill are some of the subjects to which our law-makers have given attention during the week.

The agitation in all sections of the country of the subject of immediate provision for national defense has had its effect upon both Houses of Congress. Senate committees and House committees were busy at the same time devising ways and means for the increase of the Navy and GRAND ISLAND'S public spirited coast defenses, and they ran a race of men have secured that place for the diligence to get in first with their important measures. The Senate citizens deserve great credit for their won and is doing nobly with the efforts in securing the location of the question of cruisers, gunboats, forts,

There has been a vast amount of talk over the President's veto of the the Union and who became disabled disability pension bill. This matter thereby, deserves a better place than presents a remarkable speciacle to the country, and emphasizes the fact and deserve a home of their own that the ways of the present adminthat they can go to and be kindly and istration are past finding out. A properly cared for, the remainder of Democratic President vetoes a general pension law in order to enable Congress to reduce war taxes, and a Democratic speaker of the House of Representatives uses his power to gag Congress to prevent the removal of the war tax on tobacco.

When Capt. Eads' great ship rail way scheme came up in the Senate it was advocated by Senator Hoar as one of the most important steps that the American people bad taken for generation.
