-The whole machinery of the court other agent in Platte county. This is an I was stopped yesterday morning for the appearance of one juryman, residing a few miles out of town. The " se of Russell Co. v. Henry Rickert .as on trial, the Co. claiming on the sale of a threshing machine, and Mr. Rickert that he had it on trial and that it did not

prove satisfactory. The 22d annual meeting of the State Teachers' Association which is to be held at Fremont March 27-29, promises to be very interesting to those engaged in the business of instructing the youth. We notice that C. D. Rakestraw. now of Nebraska City, and Hon. J. T. Mallalieu of Kearney, both formerly of this city, are on the program for ad-

-J. C. Lewis, traveling agent of the F. E. & M. V. Ry., is traveling along having quite a controversy in the Humthe line of their road and inducing phrey Independent over the prices paid business men to make special efforts to advertise their localities. That company are going to run a number of excursions during this season and will eriber for the JOURNAL and NEBRASKA send men east to distribute advertising matter. Why not Columbus talk to the \$2 a year for both, if paid for one year in U. P. and B. & M?

The traveling grocer is going his rounds again, just now feeding in Seward county. He does not help pay the county taxes, he gives no better prices than, often not so good as, your local dealer, he takes his money and goes to fresh pastures. Better deal with men you know and who are regularly in the business, wholesale or tail. So says the Reporter.

The following problem is going the rounds of the papers, and is respectfully referred to the pupils of the Columbus High School: "A man died leaving \$23,-480 to his sons aged 11, 13 and 15 years. The amount to be loaned out at 5 per cent., simple interest, and divided equaly among the boys so that each would get the same amount when they became of age. What is the amount?

The Columbus JOURNAL of recent date heads an article: "Dam the Loup." Schuylerites talked much the same way about the Platte when the bridge was in danger of being swept out last week. Both parties were probably quite in earnest, but the Schuylerites gave the to the establishment of a canning facfirst word in the proposition an empha sis which did not savor of civil engineering.-[David City Tribune.

-G. W. Hunt, who for two years was located here as a dentist, died at the home of his parents at Martinsville, Indiana, March 3d. Last summer he went to Wyoming for his health, being afflicted with consumption, but returned in the fall, locating temporarily at Omaha. He was much respected here and has a host of friends who sincerely mourn his and buildings. He says that his county departure to the spirit world.

Bert Arnold and Fred Gottschalk are making surveys of this vicinity to ascertain what fall of water can be had from the Loup, for the purpose of establishing a water power. We sarn that they propose three different sur vevs, first, to deliver the water at the bluffs north of the city; second, at the slough, third, on the bench in the city Either place, will give us an immense

taining "O" cars, and "Q" authorities trade, upon which the east has depended would naturally invoke the law to com- for a market. The difference of freight pel other companies to take their cars. alone, between Baltimore and Omaha Before this number of the Journal prices will afford a very large profit to reaches its readers, the crisis may have been reached.

-One Schuyler gentleman whose name we did not learn was offered a po- factory. We have here the facilities for sition as engineer on the B. & M. last furnishing the raw product in very great week. He went up to Columbus and abundance, and all that is now needed is ran a train down to Lincoln, but said to find a good practical man, with some that when he got there and met the our citizens. That is the way the Jourstriking engineers, many of whom he NAL looks at it, recognizing that favorahad known when working on the road ble results, incidentally, depend alto-himself, that he felt ashamed and would the factory not pull the train back but took another road and came home.—[Schuyler Sun.

- The State Teachers' Association neets at Fremont on Tuesday, March 27th. The material for the school exhibit should be there at least by Monday, the 26th. The work from Platte county can be forwarded to Sup't Cramer any time before March 26th, and he will take it to Fremont and see that it is properly arranged. Teachers having any special plans in regard to their work should notify the Sup't and he will en-

deavor to carry out their wishes. The Custer Leader has the names of five persons in that county who have a lunch supper. A number of friends given notes to the amount of \$2250 to a Bohemian Oats Co., for seed oats at \$10 bushel and a contract to sell for the producer what they raise of the oats at the most pleasant and profitable of the the same high price, less a commission of course. The thing looks somewhat plausible to people who do not take and day of the fourth year of Mr. Rice's pasread the papers, but it works so as to get torate. These years have been among the farmer's money, all the same, without the most prosperous in the church's giving a just equivalent. Do business history. Fifty-one persons have been -Columbus wouldn't look natural with home dealers, men whom you know added, more than doubling the number

-We publish elsewhere in today's JOURNAL a poem by Mary B. Finch, who has a genius for versification. She writes us saying: "The incident which I have endeavored to relate in these lines hap pened two years ago in Butler county near the town of Bellwood. That the horse stood by his young master all night was the subject of general remark." We may remark that notwithstanding the fact known to us that horses have a great deal of "horse sense." none but a poet could induce them to

use such choice language. -Thursday afternoon a south bound local passenger train from Lince 1, or the B. & M. road, ran into the t ough Denver passenger train at Humboldt. A former Reading engineer was in charge of the Lincoln train. The following before, and whose aid has been and will persons were injured: Fireman W. B. Hill, dislocation of right knee; Thomas Harris, brakeman, hurt in a similar manner and also injured on his spine Mrs. Edwards of Lincoln, badly bruised and internally injured: Conductor Lyman, cut and bruised about the chest. arms and legs. An unknown man was

> the western packer. Everybody who knows anything about it concedes the great benefit to be derived to a community by the establishment and succesful running of a canning the factory.

The Congregational Church.

The members of this church met on Thursday, the 8th inst., according to their annual custom, in a "roll call" meeting. Notwithstanding the unfavorable condition of the weather and roads, the absence of bridges over the rivers, sickness, etc., more than half the entire membership were present and responded to their names. Beside these, many others, who, being non-residents, or sick, or otherwise necessarily detained, sent communications which were read by the clerk. After the meeting, a season was spent in social intercourse and in eating shared with the members of the church in the enjoyments of the occasion. These annual gatherings are esteemed as among church, and quite indispensable. This year the meeting occurred on the closing on the roll four years ago. Nearly threesion, and the remaining fourth have come by letter. Many of the young people belonging to the families of the church. and to those regularly attending it, have voluntarily united with it. There has been unbroken harmony in the affairs and work of the church. The financial matters have been successfully managed, so that it's obligations have been met with reasonable promptness, and no debts remain to embarrass its work. The Sabbath school, which has always been a success, has been increasingly so, the average weekly attendance for the last year reaching seventy-one. church begins the present year inde-pendent of aid heretofore received from the Home Missionary Society. This fact should strengthen its appeal for help to its many friends in the community who have so kindly and generously responded be most gratefully appreciated by the

-The JOURNAL reporter didn't hear whether it was John Heitkemper's first attendance on the Methodist church, but when the preacher shook hands with him at the door, after service, and invited John to come again, "You bet

Last week we gave such particulars as were known here, of the death of Mr. Stevens. Below, we reproduce from the Albion News of the 9th, the full account: "Last Saturday, M. E. Stevens, of

Boone, attended the sale of C. H. Nich-

ols, after which he came to town, and did not get ready to start for home until about eight o'clock. About nine o'clock, J. A. Browder started from town for his home. When about two and a half miles below town he noticed some dark object by the side of the road, but paid no attention to it. Upon going a little farther he noticed some blankets and a short distance ahead a buggy. It now dawned upon him that an accident had happened. He turned back and found the dark object to be the body of M. E. Stevens, who was breathing, but unconscious. He man aged to get him into his buggy and took nim to the nearest house, about a mile away, that of Edwin Browder. Although unconscious he did not appear to

seriously hurt. A doctor was sent for, also his wife, who arrived about eleven o'clock. He lived until about three o'clock when he died without coming to his senses. The only bruise on his body was on the side of his head, and the sup position is that one of the neck-voke straps broke allowing the tongue of the ouggy to drop, and the team, a fractious span of colts, became frightened and started to run throwing him over the dashboard, and the bruise on his head may have been made by a kick from one of the horses. The exact manner of the

accident will never be known. M. E. Stevens, known to nearly every body as "Mart," was well known to a large number of people in Boone county. He was an honorable, enterprising citi zen. He leaves a wife, sister and aged father to mourn his untimely demise Abner Turner, Esq., returned Friday The funeral was held Wednesday from

150 pages each \$162; 100 copies 150 pages each \$184.50; 150 copies 150 pages each \$204.50. The Journal's proposal for the same was, respectively, \$75, \$90 and \$100.

Council, after approving a few bills adjourned to next Saturday evening.

The process of making syrup an sugar from corn was first introduced in this country by a German chemist named Goesling, in 1867. By the process of manufacture, about twenty gallons of syrup are obtained from one bushel of orn. The corn is first made into starch which, after treatment with sulphuric acid, is run through marble dust to ex tract the acid, after which it is purified with boneblack and boiled to the desired consistency. In one institution the profits on a capital of \$400,000 are about \$1,000,000 a year. It is said that the ousiness has doubled every year for the last five years. The syrup can be pro-duced for about one-half the cost of sugar syrup, and it is extensively used

A starch factory would do well here right in the midst of one of the finest corn-raising regions on the earth. PLATTE CENTER, Neb., Feb. 22, *88.

LEGAL NOTICE.

To all whom it may concern:
The Board of Supervisors of Platte county, in regular session March 7th, 1888, declared the following section lines opened as a public road, to wit:

Commencing at east half section mound of Sec. 21, Town 17, Range 2 west, thence south on section line to 8. W. corner of Sec. 27, thence east to N. E. corner of Sec. 34, thence south to 8. E. corner of Sec. 34, thence east to 8. E. corner of Sec. 36, all in Town 17, Range 2 west and known as the "Loup and Duncan road."

Also a section line road commencing at the 8. E. corner of Sec. 32, Town 20, Range 4 west and running thence due north, six miles on section lines to the county line, and known as the "John P. Johnson road."

Now all objections thereto or claims for damthe "John P. Johnson road."

Now all objections thereto or claims for damages caused by the location thereof, must be filed in the county clerk's office on or before noon of the 7th day of May, 1888, or the above roads will be established without reference thereto. By order of the Board of Supervisors.

Dated Columbus, Neb., March 7, 1898.

JOHN STAUFFER.

14marit County Clerk.

NOTICE.

In the county court of Platte county, Nebraska.

In the matter of the estate of Andrew F. Andersen, deceased.

Notice is hereby given to all persons interested in the estate of Andrew F. Andersen, deceased, that Clark H. Blecher, the administrator of said estate, has made application to said county court to have the time for paying the debts of said estate extended to the first day of August, 1888. Said matter will be heard before the Judge of said county court at his office in Columbus, Nebraska, on the 7th day of April, 1898, at 11 o'clock a. m., when and where all persons desiring to oppose may appear and be heard.

Speice, clerk of the district court of Platte county, Nebraska, upon judgments rendered in said court in favor of Reid, Murdock & Fischer against Edward J. Baker and Iver Johnson, and also in favor of Fairbanks & Co. against Edward J. Baker and Iver Johnson, I have levied upon the following real estate as the property of said Edward J. Baker and Iver Johnson, to wit: So much of lots five, six, seven and eight in block eighty-two, as is not included in the depot much of tote hve, six, seven and eight in block eighty-two, as is not included in the depot grounds of the U. P. R. R. in the city of Columbus; parts of lots seven and eight in block fifty-seven; commencing at the southwest corner of lot eight, running thence eighty-eight feet north, thence eight feet east, thence eighty-eight feet south, thence eight feet west to the point of starting; the north half of the south half of the southeast quarter of the northwest quarter of section twenty-four, township seventeen north, range one west; lot six in block three, lot three in block fifteen, Stevens Addition to the city of Columbus, Nebraska; lot number nine in Holman's out-lots to the city of Columbus, Nebraska. And I will, on the

at 2 o'clock of said day, at the front door of the court house of said county, in Columbus, sell said real estate at public suction to the highest bidder for cash, to satisfy said orders of sale, to the amount due thereon in the aggregate, being the sum of \$3,116.50 and \$81.80 costs, and accruing costs.

Sheriff of Platte Co., Neb.
Dated Columbus, Feb. 23d, 1888.
