It often happens that public officers are so related to each other by ties of different kinds that public interests suffer until there is a clamor for the enforcement of rights. We are inclined to believe that such is the case in Merrick. The fulfillment of duty in strict accordance with law is the only safe rule of practice for officials, and then, when trouble comes, it is through someone else who thinks it is all right to fleece the public, if you can keep them from knowing it; all right to keep money that don't be-The purchasing power of money in the long to you, under the guise of illegal two countries for necessaries is about claims, etc. The day of reckoning with the same. Hence, the American workthis sort of public official is at hand in ingman can live very much better than many counties in Nebraska, and close at the English workingman, and have a hand for others, where the picking here-

> Summing up the situation, there are but tw points for you to consider. If you purpose protecting and maintaining the banks of the river at the present location, as suggested heretofore then I can see no cause for a change. If you d not intend to do this, I would say that it would be impradent to build your bridge there, and the location near the R. R. bridge would be preferable, as at present the banks are apparently safe, What effect the river may have on the banks in the future you can guess at as well as I can. It is obvious that the Ry. Co. will maintain their banks on the east side of the river but they of the island upon which your bridge would land, from the fact that their bridge extends across the island and intervening space to the main bank on the west side of the river, a dis tance of 750 feet, and it is apparent that the Ry. east bank and run under more of their spans that it now does. Respectfully submitted. C. E. H. CAMPBELL

The opinion of the county attorney is based upon the different states of facts set forth and holds virtually, that there could be no change o location of site unless the river at the point specified in the contract has undergone such changes since the contract was entered into that to build the bridge at said point should make the same nearly or wholly useless, worthless and

WM. GOULD, Esq., General Agent Minneapolis Harvester Co., Omaha, Neb., Dear Sir: -It is being reported throughout this and adjoining counties that the Minneapolis Harvester Co. had sold their shops and were going to discontinue the manufacture of their machines.

When we first heard of this we paid very little attention to the report, think-1000 feet in length. If it is built at the present ing it came from some unprincipled machine agent who could not sell a machine location you will require 300 feet of pile treatle. of his own any other way than by lying, but when so many of our customers came work on the north end, costing about \$1,350.00, if and asked us about the matter, men to whom we expect to sell machines this coming harvest, we are compelled to inquire into the matter. We have denied' the stories all the time, and denounced them as lies and thought we were right in doing so. Now we want the facts; if it is true, we want to know it, and if it is a lie, we want to nail it. Please let us hear from you at once, as we want your letter change of location, I will report that the only for publication. Very truly yours,

ERNST & SCHWARZ.

MESSRS. ERNST & SCHWARZ, Columbus, Neb., Gents :- I received yours today. That report is entirely unfounded. - I enclose copy of a letter received from the Company.

You see it is a trick of men who can not hold their way against us, only by trying to scare a farmer not to buy the "Minnie," hoping thereby to get a chance to sell one of their own. Farmers need not fear.—I have no doubt they can take your word, as well as that of a competitor.

If they lie about our machine, is it not probable they would lie again to sell

I will have a man there shortly. Do your best and I will help all I can. Yours very truly,

WM. GOULD, G. A.

WM. GOULD, Esq., General Agent, Omaha, Neb., Dear Sir: - Answering yours relative to the rumors in Nebraska that the Minneapolis Harvester Works had standing with him regarding the matter of extra sold their shops and grounds and were going out of the business, we have to say

there is not one word of truth in them. They have not sold their shops or grounds and are not going out of the business, and you can so inform all parties making inquiries regarding this matter. Yours truly, E. B. LINCOLN, Sup't of Agencies
