Á BIĞ ENTERPRISE

A Large Brick Hotel is to be the Com panion Piece for the New Bank Building

At the corner of North and Thirteentl treets is shortly to be erected the finest and best structure in the city, to be

used as a hotel. It is one of the series of improve ments inaugurated by the Columbus Real Estate and Improvement Company, and will be a handsome as well as a most substantial one.

The building is to be of brick, with above basement, the basement being 9 at this writing.

apartments for laundry, engine-room, barber-shop, bath-room, sample-room etc. In the first story will be the office, ladies' reception room, reading and writing rooms, dining-room, kitchen baggage-room, sample-rooms, billiard hall, etc.

On the second floor will be the parlors and on that and the third floor the numerous bed rooms.

The entrances will be, one on the cor ner, similar to the bank building, the other on the west side. An elevator will run from basement to

upper floor. The house will be heated by steam and lighted by electric light, and everything known to modern hotel building provided for the comfort of guests.

It is expected that the building will be ready for occupancy by the 1st of shade. November, but if so, there will not be a noment to spare.

The Live Stock Shippers' Association Held their meeting July 11th, at South Omaha, President J. A. Kehoe, Secretary John Wiggins and all other officers be-

A proffer of one and one-third fare to those attending the meetings of the association, coming on the U. P. road was Johnny Meyer of Lincoln came up respectfully declined; it seemed to be the feeling of the members that they were entitled to free transportation and reckoned as among the very best job would be very much pleased if the railroads would so view it.

The following resolutions were presented by J. W. Stocker and unanimously adopted:

WHEREAS, there are certain commisstock at different stations in the country through men employed by them that have neither money nor local credit, in competition with regular business, now Resolved, by this association that we

discontinue this practice and will withhold shipment from such firms and discourage other shippers from patronizing them, and Resolved, further, that at our next neeting we consider the questions of formation of a commission house for sale of stock and the formation of a hog

rendering company. The secretary was requested to notify each member that at the next meeting the commission-house and renderingcompany question would be considered. On motion of D. Anderson, the president and secretary were instructed to notify the L. S. E. committee who appoint the inspectors and have the dock age under their control at the South Omaha yards, that there is a general complaint on the part of shippers on ac count of excessive dockage and demand that they correct the abuse.

Other routine business was transacted Monday to protect the south bank of and an adjournment was had to the

-J. H. Meyer, formerly of this county writes us from Bartlett, Wheeler county, to say that the Fourth was duly celebrated there by calithumpians, old soldiers of the Union and citizens generally. Speeches were delivered praising the heroic deeds of the forefathers and exulting over the wonderful strides made by their descendants in developing the natural resources of the country.-Bartlett has improved considerably this summer, having several new buildings including a fine court house erected by Mr. Boehne of North Loup.—Small grain bids must be received by the secretary and corn have been partly damaged by by 6 p. m., August 6th, 1888. hard winds. The corn crop is late, but is now doing well.

-We were shown a ripe tomato yesterday which was grown in a garden in this city. This is early in the summer tract. for tomatoes, but by a little care, all who have a small plot of ground, can have them. These plants were started from well-selected seed, in quart fruit cans, last January, a single plant only being allowed in a can. After all danger of frost is past, the plants, about ready to bloom, can be slipped from the cans without disturbing the roots, and several weeks of time gained in the growth of the plants, Six or eight plants will produce an abundance of fruit for an ordinary family.

The Platte County Prohibition Convention Met in Platte Center July 13th. Organized by electing E. A. Gerrard chairman, M. Brugger secretary. Geo. Scott, late consul to Odena, being present, upon invitation addressed the convention, making a strong argument in favor of education and organization as the essentials of success in the prohibition cause.

After the speech, convention proceeded to nominate Isaiah Lightner for candidate to represent the 24th district in the state legislature, and M. P. Hurd for county attorney. Full delegates were elected to the

state, congressional and district conven tions. Also a county committee, one from each township, resolutions were adopted as follows: We, the prohibitionists of Platte county, in convention assembled do hereby

acknowledge Almighty God as rightful sovereign of all men. 1st. The greatest issue of the day be fore the American people is the annihilation of the alcoholic beverage business, and we heartily endorse both the

state and national prohibition plat units with us in the overthrow of the days. Come one, come all, give us a trial enemy of all honest labor and pledge ourselves to vote and work faithfully for the advancement of the prohibition party in county, state and nation. M. P. HURD, Com.

Speeches were made by Mesers.Light ner, Hurd and Gerrard. Convention passed a vote of thanks to Wm. Bloedorn for courtesies tendered also for the Baptist choir of Columbus

for music and songs. E. A. GERRARD, Ch'n. To Contractors.

The Columbus Real Estate and Improvement Company is now ready to re ceive bids for the erection of a three story and basement brick hotel building to be built on lots 5 and 6, block 59, in the city of Columbus, Neb.
