The Platte County Teachers' Institute. As the name implies a teachers' insti-

tute is for the purpose of establishing N. A. Fleischer is down from Lindsay and fixing methods and principles of teaching. It has never been intended to take the place of a school where the ele-

C. W. McCune was at David City the ments of a common school education may be acquired. The institute held in the high school building during the past

two weeks was organized with the definite purpose of giving teachers ways and means of acquiring a higher degree of

skill in the conduct of the everyday work of the school room. That this purpose has been attained is beyond doubt. The

one hundred teachers in daily attendance abundantly testified to the excellent and practical work done by those in

charge. Sup't Cramer put his whole heart into the work and from the beginning the success of the institute was assured.

The instructors know whereof they speak and gave to the teachers a fund of information not usually acquired in so short a time. The teachers of Platte

county compare quite favorably with those of other states and with the enthusiasm awakened here the county will be the gainer and all things pertaining to education will be the better for the

work done here. The institute as conducted was a departure from other years, but Sup't

change and well has he been rewarded After a visit of several weeks with her for his efforts in this new line of work. The three great questions-Why do we teach? What shall we teach? and How shall we teach? were never lost sight of. The teachers have enjoyed their work, the instructors are enthusiastic in their praises of the general management and the superintendent no doubt heartily yesterday, after several days' visit with enjoys the consciousness of having done

all things decently and in order. TEACHER.

District 44 and Vicinity.

During the session of the institute at Columbus school ma'ams in the country were very scarce.

There was a ball game last Friday afternoon on Shell Creek near Becker's mill where the Punkin Ridge nine crossed bats with the Shell Creek junior nine; we could not secure the tally, but the score stood, as near as we can remember. 30 to 12 in favor of the Ridge

nine, the boys speak in glowing terms of the treatment they received at the hands of the Shell Creek nine, who gave a dance in the evening, in honor of their

guests. A party of pleasure seekers left
