> the movement of beef cattle NOTING astward, we discover that a very large per cent. of them are going forward in mproved cars, feeding and watering facilities being provided in the cars. That this adds greatly to the comfort of the cattle no one denies, but it comes a lit tle too hard to pay extra for the use of improved facilities.- N. W. Live Stock Journal

Campaign Lies.

"We have now discovered why the DOURNAL asks for a prohibitory law."-Democrat of Sept. 7.

It is sufficient to say of this lie is a very blundering one. The JOURNAL favors submitting any question of great public interest to a vote of the people but is opposed to the adoption of the prohibitory amendment.

Some Other Year.

Some democratic papers of the state are making a big bluff about defeating Thayer for governor. One plan is to effect a change of four votes in each precinct from the republican to the demo cratic party. Not this fall, brethren. Some other fall, perhaps. The change for Mr. Connell 85. Gage county moved is going to be the other way this time .-

A Republican Mass Meeting.

A republican mass meeting was held at Cooper union on the 18th which filled the large hall to overflowing. Hon Warner Miller, who was the principal speaker, declared that the present free trade agitation was a movement for the revival of the doctrine of states sovereignty. He declared that the democracy on the 22d. had been a free trade party since Van Buren's time.

American Goods for American Money. American money should be spent at nome to pay for American made goods Let us sell our cotton, wheat, oil and other products for cash, instead of buy ing knick-knacks with the proceeds and
