

A SECRET SONG.

Oh, how I love you!
Welcome to you when you come here...

MISS MARTHA.

Miss Martha Bailey—known throughout the town as "Miss Martha"—sat by one of the windows of her cozy sitting room...

She was a young girl, and she was very beautiful. Her eyes were like stars, and her hair was like gold...

She was a young girl, and she was very beautiful. Her eyes were like stars, and her hair was like gold...

She was a young girl, and she was very beautiful. Her eyes were like stars, and her hair was like gold...

She was a young girl, and she was very beautiful. Her eyes were like stars, and her hair was like gold...

She was a young girl, and she was very beautiful. Her eyes were like stars, and her hair was like gold...

She was a young girl, and she was very beautiful. Her eyes were like stars, and her hair was like gold...

She was a young girl, and she was very beautiful. Her eyes were like stars, and her hair was like gold...

He took up her work and began to turn down a hem; but she could not drive away the haunting thoughts which tormented her...

"You surely don't think of applying for it?" cried Tom. "Why, the children are little heathens. They throw ink bottles and spitballs at me..."

"I must work for myself," the girl said. "I cannot consent to remain dependent on any one."

"Wait until next fall comes before you turn up in the next six months," said Tom. "It's only fair to you."

"I am no longer young," she said in a hoarse voice. "I am now a woman, and I know that I must support myself..."

"Oh, I forgot to tell you," he said, as she turned away. "I have a letter from your father. He is coming to see you tomorrow..."

"I have a letter from your father. He is coming to see you tomorrow," he said. "He is very pleased with you..."

"I have a letter from your father. He is coming to see you tomorrow," he said. "He is very pleased with you..."

cars as she drove. She walked slowly up the dusty road leading to her cottage. It was nearly three miles from the city...

"I expected it," she stammered. "I was sure it would come. I was sure it would come..."

"I was sure it would come. I was sure it would come," she said. "I was sure it would come..."

"I was sure it would come. I was sure it would come," she said. "I was sure it would come..."

A SUGGESTION. Let the old man see the statue. Thought so, to the old man, the statue was the best...
