WILLIAM KENNLER, convicted of the murder of his mistress. Tillie Ziegler. was sentenced Thursday to die by the application of electricity within the week commencing Monday, June 24. This is the first death sentence in New York under the new law.

WHEN a bank president in Texas wrote "Bank suspended" on the door of the institution, some of the depositors hunted him up, and the next morning he was found in a tree, with this notice pinned to his breast, "Bank president suspended." They had paid him in his own coin, so to speak.

CALIFORNIA had another shock of earthquake, which took place Sunday morning at 3:15. At San Francisco the movement was slight, while at some points in the San Josquin valley, the shocks were severe, in a few cases chimnevs being thrown down.

HON. J. W. Love of Fremont has been mentioned to the president by the Nebracks delegation for appointment as consular general at Constantinople. Mr. Love is thoroughly imbued with the active, energetic, pushing spirit of west-ern progress, and would make a good representative of America, anywhere.

PRESIDENT HARRISON and Jim Blain are busy selecting consul generals to send abroad. The Nebraska congressional delegation will unite in asking for a few appointments of well known republicans of this state. A list of one hundred and forty-one, it is said, has been agreed upon for next week and stranger things have happened than that a Fremont man might get one of them.-{Tribune.

A PARTY of North Benders, all old residents in that part of the county and consisting of Robert McVicker, David Scott and Michael Johnson, left today on a tour to Europe. They will visi their former homes in the old world and also attend the Paris exposition. The will sail from New York the 16th inst and expect to be absent about six months.—[Fremont Tribune.

THE clerks who were detailed from the general land office to go to Oklahoma to assist the land officials there have returned to Washington. They state that at Kingfisher about 800 entries had been made up to Friday, and at Guthrie about 1.000 had been made. The total number of quarter sections in the terri-tory open to settlement is 10,000, hence less than one-fifth of the whole had been filed upon.

THE recent count of money in the sub treasury at Washington revealed a dis- tempted to extinguish the flames, but crepancy of \$35 out of a total sum of did not succeed until his wife was fatally \$184.000,000, to be accounted for. This burned. He then discovered that the shortage resulted from the acceptance house was on fire, and that his two little of a few counterfeit notes in the hurry boys were consumed. Palmer was also of business and by the loss of a few badly burned. pieces of silver. The loss was promptly made good, and a receipt in full given to the treasurer, Hyatt, who was responsi-ble, under his bond, for the entire
