JUDGE McLEAN, the president of the Savannah, Mo., Savings institution, which failed a short time ago, was arrested Thursday and put in jail for embezzlement. His bond was fixed at \$1,000, but no one would become his surety. There were several warrants out for his arrest, but he was jailed on the first one. It is alleged that he received money when he knew the bank was in a shaky condition.

NEARLY \$3,000,000 had been raised this country, up to last night, for the sufferers of the Conemaugh valley flood. Of course this is a small amount compared with the material loos sustained and for the destruction of life there can be no atonement, but the sum is a vast one to be gathered in a week in the name of charity. If, as current slang asserts, "money talks," in this case it tells a pleasing tale regarding the generosity of the American people.—[N. Y. World.

Washington Letter. From our regular correspon The president has made the anti-Mahone Virginia republicans happy by he did not contemplate recognizing exsenator Mahone in the distribution of federal patronage in Virginia, and tomorrow the committee appointed by the recent gathering of anti-Mahone republicans will have a hearing before the president. They will endeavor to convince him that they are the proper parties to control the patronage. It is not at all likely that the president will recognize either faction of the party in He stood in a doorway on Woodward Virginia to the extent of giving them evenue the other rainy day with an um- control of the federal appointments. So brella in his hand and he seemed to be far, the few men appointed to office in waiting for an opportunity. One soon Virginia are without exception, Mahone came tripping along. She had no um- men, but the Mahonites explain this by brella and he stepped out, raised his saying that ninety-nine one hundredths of the working members of the republican party in Virginia are what is known as Mahone men, and that it is next to claimed. "You are very, very kind. I impossible for their opponents to get properly endorsed for office.

Secretary Tracy has ordered the commandant of the Mare Island navy yard to build a magnificent whale boat, which is to be presented to king Mataafa, of the Samoan Islands, as a token of the stands an idiot who has been sold for a appreciation felt by the American republic for his timely aid to our shipwrecked sailors on his coast. The boat will be finished in about six weeks, and will be sent to Samoa in charge of three of the naval officers, survivors of the recent disaster, who will also carry an autograph letter of thanks and gratitude from the president to the king.

Civil service commissioner Lyman has received a telegram from his colleagues, who are making an investigation at Troy. New York, stating that owing to glaring irregularities they had cancelled the recent examinations held there. A new examination will be held on the 15th. The commission will start west this week to make a number of investigations. The present commission seems to be determined to have the law strictly enforced, something never done before. It is not possible to make such a humbug of a law popular, but it is something to know that it is being, as far as the commissioners can control it, honestly ad-

ministered. Secretary Windom is not satisfied with the opinion given by solicitor Hepburn of the treasury department that the Catholic university of America, to be established in this cannot engage a corps of foreign instructors without violating the law prohibiting the importation of alien labor under contract, and has referred the question to the attorney gen-
