enflorer for the last two years, died quisaled by pressing their walls spart, only at his home just cost of the schoolteed. Prof. F. M. Rowley, of Omaha, is Willie Cook, a young man about 19

introducing this treatment in Nebraska years old, lost a finger from his hand last Wednesday while cutting tlax with a reaper near the school house. As is usually the case, he got his finger between the chain and ratched wheel when the team suddenly started up.

Last Wednesday seems to have an unlucky day; as Louis Schreiber was riding a horse to a neighbor's to get help about raising a tower, his horse stepped into a hole and fell, throwin Mr. Schmiber to the ground in such a way as to dislocate his shoulder. Last week finished the stacking of

until October. Louie Schreiber has had a new windmill erected over his well. Sensible Mr. and Mrs. Joe Barnes spent the Sabbath down here with friends.

grain, except flax, which will continue

Bismarek Township. Corn is earing out splendidly. We learn that Mat Pultz lost a horse

C. G. Moore and son Wil ourchased a self-binder. Harvesting is all finished in this ity with the exception of flax. The neighbors are preparing for

threshing at present, by stacking their Messrs. Mueller & Fultz are running their threshing machine this year, with Fred Kretchmeyer in Mr. F's place. John Boe is working for John Connel now; ditto Frank Nauenburg who is

iling up the hay for Otto Mueller. Miss Sybil Butler was visiting friends near Richland a few days ago. ent, where he is having his foot operated

We hear that Opear Gibbons did not appreciate a good place and left John Connelly's; ditto Henry Wilson, who has quit working for Peter Greisen.

William Cats, who formerly worked here but was working for Mr. Meedel of Butler twp. during the summer, has returned to Bismarck and is working here

at present.

James McKenzie, who went with

Mueller & Fultz's threshing machine last year and has been cutting streets at Norfolk this spring, is back again whistling to the merry tune of the thresher. Messrs. Waggoner & Barnes have their steam thresher in the field and its joyful sound is heard quite frequently, probably to express their satisfaction of the manner in which the grain is turning

We learn that Fred Scholz has sued Martin Mier to recover damages which he was forced to pay to E. Newman on account of his driving Ed's horse in Mr. Mier's wire fence; \$50 is the amount

The threshing machine has started out and the turn out of grain is reported good.

The U. P. depot has not been moved away yet, as the talk was two weeks ago. Our old friend and townsman, Mr. B. Byrnea, resigned his position as section foreman on the U. P. R. R., which he occupied for 22 years, at this place. He went to Omaha a week ago, to make his home there and have his children more completely educated. Mr. B. is a good citizen and we feel sorry to see him go.

Palestine.

Our Swede friends will have their annual examp meeting this month, commencing Aug. 8th, in the usual place, Baer's grove. We have been told there will be no English preaching during the will be no English preaching during the good of seed of the shed with side of the shed, were mashed to a section lines, and terminating at the right of years of section 20.
