World has said of Mr. Brice and what it will continue to say unto the end.

Why Not Here, Too? At Woonsocket, Sanborn county, S. D., the citizens are rejoicing over an artesian well which began flowing on the 11th, throwing the water nearly twentyfive feet above the top of the pipe. They claim the greatest artesian well in the world. An attempt was made to shut it off but the pressure was so great it day morning at his home at Woodstock, could not be managed with the machinery at hand. We clip the following from the Woonsocket Times:

The well furnishes from 6,000 to 8,000 gallons of water per minute and is said to have sufficient power to run a couple postmaster at Genoa, in place of J. J. addition to its serving the city with a 24th from the accumulated gas in the supply of water and furnishing ample cuable benefit to the city and surrounding country. And right here we may add that Woonsocket would be a good point for Uncle Sam to spend some of
