Blacksmith and Wagon Maker.

All kinds of Repairing done on Short Notice. Buggies, Wagons, etc., made to order, and all work Guaranteed.

Also sell the world-famous Walter A. Wood Mowers, Reapers, Combined Machines, Harvesters, and Self-binders-the best made.

Shop opposite the "Tattersall," on Olive St., COLUMBUS. 26-m

Creates many a new business, Enlarges many an old business. Revives many a dell business. Rescues many a lost business. Saves many a failing business. Preserves many a large business, Secures success in any business.

So says a man of business, and we add that adjectors advertising, for this section of country,

THE JOURNAL

As one of the mediums, because it is read by the best people, those who know what they want and pay for what they get. We challenge comparison with any country paper in the world in this respect—twenty years publishing by the same management, and never one dun to subscribers published in The Journal. This, better than anything else, shows the class of people who read The Journal every week.

GOSHEN

CHEAP, ONLY \$15.

Woven wire and slats, cut willows, split boards or anything of the sort, used; after posts are set, fence can be made and stretched on the ground, in the winter, by a boy or ordinary farm hand, 10 to 40 rods a day, and can work it over any ground. The man who has one of these machines can build a fence that is more durable and safe than area other and reaks it at lease and safe than any other, and make it at less cost. hine and a sample of its work can seen in the city on 11th street at Ernst & Schwarz hardware store. Willsell mchines, or territory, or contract to put up fences.

SUNFLOWER SIFTINGS.

Sappenings of the Past Few Days Collated From All Sections of the State THE citizens of Hayes county will have grand circular wolf and covote hunt Nov. 29. They will encircle ten townships and meet at a common center at a specified time. They say there are

plenty of wolves and covotes in that region and they are confident they can round up many of them within the circle and succeed in bagging them. Only those who have seen a circular hunt can frame any idea of the bushels of fun to be had at one. Someone shot through the window at

George Garrison at his home two and one-half miles north of Huntley. A few hours before that time he had caught his wife and hired man in a compromisfrom the house. Two hours afterward he was shot in the hand as above stated. He thinks his wife did the deed, while she avers that Garrison must have done it through awkwardness. Ar Osceola an insane man, tempora-

rily in the custody of Sheriff Hamilton made en assault upon the unguarded sheriff, who had brought his charge's breakfast. The madman was armed with a knife and stabbed his keeper in the back. In the struggle for the knife the sheriff also had his hand severely cut. None of the wounds are serious. Some men have remarkable presence

of mind at fires. A painter was waxing the floor of the new A. O. U. W. hall at Grand Island with beeswax and turpentine when it took fire. Instead of smothering the fire he ran down on the street for help. The first man to arrive threw two gallons of turpentine on the fire to quench it. In spite of all these blunders the fire company extinguished the blaze before very much damage was

THE police of Fremont made a roundip of the tramps the other right. The rst two arrested had three bottles of whisky, but not a cent of money. The third tourist searched had a marble and a poker chip. The fourth was a very W man, and had a very bad case of conimption. They were afraid of an expensive feed bill in the poor house, and paid the old man's fare to the next town. The other three will harden their musles in the employ of the county.

ALLIANCE, Box Butte county, furishes a case for surgeons and scientists to study over. One week ago Sunday Adelbert Highy, a boy 16 years of age siding in that place, was out hunting ith a rusty old shotgun. The gun exloded, striking the boy in the forehead ust above the right eye, crushing the skull until pieces of the bones imbedded the brain. Through the aid of a companion who was with him the lad was taken home and Dr. W. H. Smith was summoned. At sight of the wound the doctor was surprised to see him alive, but judge of his amazement when probing the wound to find an old rusty screw that had been in the stock, imbedded pieces of the skull bone, the largest of which was nearly the size of a silver dollar. In the operation the doctor also found it necessary to remove about half A Vienna paper states that Prca an ounce of brain, the nerve center of something no surgical authority has recorded as possible. But here it is

scious ever since the accident, and unless blood poisoning sets in stands every chance of recovering. Our at Curtis the other day an old man system. No Relation at All.

Incidents of the self-assurance of the rising generation are not infrequent. They are not confined to the Caucasian race, however, as a Seattle man found out the other day. The gentleman, who is rather paternal in his manner, wasis manned by a colored youth. Addressing the youngster he said: Well son, do you have to work pretty

Like a flash the answer came: "Huh! I ain't no son of yours. I ain't eben no relation. You white trash is rettin' to be to blame imperant to us colored gen'lemen, anyhow. You get out right here." And our paternal friend got .- Scattle

The Child of an Evil Parent. Malvolio rays in Shakspeare's comedy of

Malvolio rays in Shakspeare's comedy of "Twelfth Night," "Some are born great, some achieve greatness, and some have greatness thrust upon them." So it is with nervousness. Fome are born flervous, some achieve nervousness by their own imprud flee and neglect, and some have nervousness thrust upon them by disease. The basic starting point of this ailment, which grows rapidly and assumes alarming proportions when it reaches the stage of hypochondria and chronic eleeplessness, is weakness, the chill of indigestion, parent of many evils. For the irrespective of the stomach to digest food, and of the system to assimila a stafter digestic, Hostetter's Stomach Bittern has ever proved a sovereign remedy. Eleep becomes tranquil, appetite improves, abnormal sensitiveness of the nerves is succeeded by stealiness and vigor in those delicate tissues, bedily substance increases when that signal testorative of digestion is systematically used. restorative of direction is systematically used.
